

Gold Award Proposal Project Advisor Profile

Your **Project Advisor** is an adult you invite to be on your volunteer team, who is an expert in one or more areas of the issue your project addresses. Think of your Project Advisor as a professional consultant; they can guide you as you plan and implement your project. It is important that the project and its core ideas are your own.

The Project Advisor does not design your project but does offer valuable insight, advice, and guidance. Parents/guardians, family members, and other troop volunteers **cannot** be Project Advisors.

Why did you choose this person as your Project Advisor? How will they help you succeed with your project?

The Project Advisor listed above must be the **same** one you have listed in GoGold Online to verify your proposal. If you have recruited more than one, you must list your **primary Project Advisor** in GoGold Online for verification.

Please review and share the **Girl Scout Gold Award Guide for Project Advisors** with the person listed above. It can be found on gsnorcal.org under forms and documents, or at this link: <https://bit.ly/3wHK2PC>

I understand the role of the Project Advisor and have shared document linked above with them.
