Follow your camper’s adventures each week on our Facebook page! www.facebook.com/gsnorcalcamps.

Please note: it’s not possible for us to capture photos of every girl each day, but we’ll do our best. Additionally, if you have designated during the registration process that your camper cannot have her photo taken, she will not appear in the photos.
Dear Girl Scout family,

Whether you and your Girl Scout are just beginning to explore all that GSNorCal has to offer, or you’re practically an expert when it comes to the great outdoors, you know about the life-changing, memory-making awesomeness that is camp. There are exciting opportunities at camp for all girls to unplug, learn new skills, discover their sense of self, and exercise independence in a safe, girl-led environment. With camp experiences packed full of Girl Scout tradition—and exciting activities from art and music to high adventure and STEM—there’s something waiting for every girl at camp this year!

When your camper attends one of our award-winning camps, she joins over 75 years of sisterhood and tens of thousands of Girl Scouts (including many of our staff members!) who have found lifelong friendships, discovered their strengths, challenged themselves, made lasting memories, and returned home with an all-new love for our starry skies.

So give your girl the gift of camp—you’ll be amazed at what a little time outdoors does to develop her courage and confidence, from the classroom to the boardroom and beyond.

I can’t wait to hit the trails with you this summer!

Mary-Jane Strom
Senior Director,
Camps & Adventure

Hi there! I’m Roxy the Raccoon, the GSNorCal camp mascot!
If you’re at any of our council-run camps this year, you may see some of my wild cousins roaming the area. As a young kit, I loved hearing girls laugh and sing around the campfire—it made me want to be a part of their circle of friendship. I started hanging around camp so much, the counselors adopted me! Now I’m a full-fledged camper, and get to show new campers the ropes. Follow me throughout the brochure for tips and tricks to help you have the best summer ever!

Register online and find additional camp information at camp.gsnorcal.org!
WHEN A GIRL LEAVES HOME AND ENTERS THE WORLD OF CAMP, SHE MEETS NEW FRIENDS AND PEERS ON EVEN GROUND. As she sits around the campfire, rides a horse, tries ziplining, or even snorkels for the first time, something in her begins to change—she gains a sense of pride by facing her fears, she grows as a person by learning new skills, and becomes stronger and happier by making new friends. She comes home with a spring in her step and a new light in her eyes.

Camp is transformative. Our trained and caring staff members support girls ages 5–17 in discovering who they are and what they can become. Our engaging programs and activities are designed with girls’ interests in mind, so they can grow their passions and take healthy risks in a safe, supportive environment.

Our campers:

- **DEVELOP LEADERSHIP SKILLS**
  through our girl-led programming, with supportive staff and volunteers by their side

- **DISCOVER A SENSE OF SELF**
  by participating in activities that build confidence

- **OVERCOME OBSTACLES**
  by challenging themselves to try activities they’ve never done before

- **LEARN RESILIENCE**
  and gain a deep appreciation of the great outdoors

- **CULTIVATE IMPORTANT LIFE SKILLS**
  by interacting with fellow campers and problem-solving with a team

- **RELAX AND UNPLUG FROM THE EVERYDAY**
  while making lifelong friends

ATTEND AS AN INDIVIDUAL

She doesn't need to her troop to have a camp adventure! Many girls visit camp on their own and make brand new friends that stick with her for life!

GRAB A BUDDY, BE A PAIR!

Girls can bring a buddy from their troop or a friend who is not yet a Girl Scout. Buddies can be placed together according to program session, age, and Girl Scout level. During the registration process you may indicate a buddy you know is signing up for the same camp session as you. This buddy should also request you. Attending camp with a friend from home is great, it's also great to make new friends. Please limit your buddy requests to one buddy. Buddy requests are accommodated when possible, not guaranteed.

NOT A GIRL SCOUT? NOT A PROBLEM.

You don’t have to be a Girl Scout to attend one of our camps. Whether she’s a first time camper or an experienced adventurer, an outdoor enthusiast or a creative artist, your girl will find her perfect program at one of our camps.

General registration for all council-run camps opens December 1, 2018. Visit us at camp.gsnorcal.org to find her camp!
Welcome to the World of GSNorCal Summer Camp!

Our council-run camps are accredited by the American Camp Association, the prestigious national organization that sets high standards for the health and safety of campers and staff, as well as the quality of programs a camp delivers.

Visit camp.gsnorcal.org to learn more about our camp properties, our food philosophy, and how to prepare for camp!

Tucked away in the beautiful hills of Marin, Bothin’s cozy, tree-covered canyon is full of laughter, creativity, and adventure. Girls learn archery, perform on stage, zipline through the redwoods, and create amazing art in the great outdoors. Bothin’s deep traditions keep girls coming back year after year.

North of Santa Cruz, nestled between mountains and sea is the beauty, tradition, and wonder of Skylark Ranch. Climb trees, explore the beaches of the Pacific, and saddle up with Skylark’s specialty equestrian program for beginning to advanced riders.
Hidden in the enchanting Sierra foothills, Sugar Pine has been a magical getaway to generations of campers for 80 years. From the camp’s monumental adventure tower to the neighboring alpine lakes and Mercer Caverns, Sugar Pine is the hub for high adventure.

Attend a Camp Information Night

WANT TO LEARN MORE ABOUT THE GSNORCAL CAMP EXPERIENCE? Join us for a camp information night, where caregivers, troop leaders, and girls can meet our camp leadership team, ask questions, learn more about registration and financial aid opportunities, and get all the information you need to join us for a memorable and fun-filled summer camp session! Each in-person camp information night will include a 30-minute presentation about each of the 3 council-run camps (Bothin, Skylark Ranch, and Sugar Pine), light refreshments, and a private space to chat with the camp directors about your camper’s individual needs, if needed.

Little known fact—Stone House at Bothin is almost 100 years old! It’s gray rock walls were built from stones removed from a nearby hillside in 1919 to make room for a railroad tunnel. If you can find some downtime between feeding the chickens, building gadgets in the MakerZone, and putting on a camp skit, sit for a bit on the stone steps. Don’t take your me-time for granite!
Activities by Choice!
CUSTOMIZE YOUR CAMP ADVENTURE WITH BOTHIN’S UNIQUE ACTIVITIES BY CHOICE PROGRAM STRUCTURE.
Alongside their themed program agenda, campers will have free-choice time, where they can choose their own early morning and afternoon activities. In the afternoon we offer specialty arts, tinkering in the MakerZone, archery, high ropes, hanging out in the Bothin Organic Garden, fort-building, and drama skits. And for every new activity they try, they’ll receive an “Activity Bead” to show off their accomplishments. It’s a great opportunity for girls to experience the variety of camp at their own pace.

Note: Campers on field trips will not participate in Activities by Choice when they’re off camp property. Grade means level entering in the Fall. Campers in 1st-3rd grade programs do not participate in high ropes activities.

Meet Your Camp Director

ELIZ AKA “APPLE”

HOMETOWN: Sunnyvale, CA

HER CAMP CRED: This is my 10th summer working with GSNorCal camps. I went through the CIT program at Skylark Ranch and am so excited to be returning as the Camp Director for another year!

WHY SHE’S EXCITED FOR CAMP: As a former classroom teacher, I understand the responsibility of taking care of the whole child, and take pride in mentoring and developing staff members to be well-trained caretakers and engaging, positive role models. I am looking forward to Camp 2019 to see our girls continue to take healthy risks, try new things, and grow into more confident and independent versions of themselves.
When you stay at Skylark Ranch, be sure to say “Hi!” to all my animal friends! Skylark Ranch is known for their horses, but did you know there are tons of other animals in the area, like ravens, banana slugs, and elephant seals?

Choose the riding style that’s right for you . . .

**Western Style:** From reining to rodeos, Western Equitation is a thrilling way to experience horseback riding. Participate in lessons at the arena or set off on fantastic trail rides. Jump in the saddle and become a cowgirl today!

**English Style:** Are you a hunter or a jumper? From ground poles to jumping over fences, gain skills in this traditional riding discipline. Develop proper balance and form through Hunt Seat Equitation and even ride through the countryside.

Finding the correct riding program for your daughter is important not only for the quality of her program but also for her own safety. To help you select the program that would best suit your daughter, review the levels of the Equestrian Programs offered and their descriptions. Meet Your Camp Director

MORGAN AKA “TULIP”

HOMETOWN: Newbury Park, CA

HER CAMP CRED: After working at a variety of day camps serving children with special needs, I started my Sugar Pine journey in 2010 as a Lead Counselor, and worked my way up to Unit Manager, Assistant Camp Director, and now, Camp Director.

WHY SHE’S EXCITED FOR CAMP: I love camp because I wholeheartedly believe that s’mores should be their very own food group! But seriously, I will never get tired of the pure magic of children discovering something brand new about themselves or their world and gaining confidence from new experiences.
On your mat, get set, flow! Stretch, relax, and breathe in that fresh pine-scented air with daily yoga sessions in the forest. Each session will feature fun music, acrobatics, dance, partner yoga, and you’ll even hone into your untapped hula hoop skills. Plus, make a yoga movie and spend plenty of time experiencing the mountain spa retreat center. Whether you’re a yoga expert or new to the practice, becoming a Yogi Pine will have you leaving camp with some cool new moves to show your friends.

Kamp Konocti

Marin

kampkonoti.org

Kamp Konocti is a traditional camp experience located in Marin County. Please check out the website for more information on the 2019 season!

Psst, parents. Want to tag-along with your girl? Join the team of experienced volunteers who plan and manage every aspect of camp, and you can be a part of her summer adventure. After all, it’s folks like you that make these camps possible!
OUTDOOR PROGRESSION IS A CORE PART OF THE CAMP EXPERIENCE. The camp setting provides the perfect environment for girls to try new things and develop skills in a safe and supportive environment, and continue to level up and challenge themselves. A girl who attends camp multiple years has the opportunity to advance each year in an activity she loves, while continuing to have unique experiences each summer.

Day Camp and other Outdoor Events are a great local introduction to the outdoors for first-time campers. Day Camps also provide a unique opportunity for seasoned campers to practice leadership skills as volunteers and Program Aides.

Troop Camp & Family Camp provides troops and parents with the opportunity to experience overnight camp and be a part of the camp community together. Campers will make new friends, go on adventures, and return home with a newfound appreciation for the outdoors.

Camp Leadership experiences are a unique way teen girls can combine their love for the outdoors with their leadership goals. High school-aged Girl Scouts who are experienced campers are invited to become a C.I.T. I/II (Counselor-in-Training) at Skylark Ranch and Sugar Pine.

Summer Camp is an enriching outdoor experience for Girl Scouts in grades 2–12. Campers experience independence as they explore the world around them, challenge themselves to try something new, and build self-confidence while making new friends. Campers will also be able to complete steps towards earning their favorite outdoor badges!
YOU DON'T HAVE TO BE A GIRL SCOUT TO ENJOY GIRL SCOUT CAMP! Our camps are open to every girl, no matter her race, ethnicity, religion, sexual orientation, gender identity, or ability.
