

Areas of Butte County have been ravaged by wildfires, but we are Girl Scouts! In times like these, we know that we are Go-getters, Innovators, Risk Takers, and Leaders, and we want to support our fellow Girl Scout families who have been affected by the fire. This year, we are launching our Adopt-A-GS Family to bring cheer, sisterhood, and love to our fellow Girl Scouts in need. .

How can you help?

Starting November 19 thru December 14, 2018, please bring your unwrapped gifts with tag firmly attached to either the Chico or Redding Girl Scout office no later than **Friday, December 14, 2018**. If you will be shipping your gifts, please mail to the address below. Recipients will pick up their wish list item(s) at the Chico office between December 19-21, 2018.
