

Wrap a box of Thin Mints for a Care to Share table display.

1. Cut the wrap out along the black outline.
2. Fold the flaps down and tape them to the box in order. Leave the trefoil flaps for last.

Care to Share

Care to Share is a council-sponsored service project benefiting our local communities. For many years, Girl Scouts across the country have used Girl Scout Cookies to show their appreciation for men and women in uniform or to support those in need.

Care to Share

Buy a box for the United States military or a local food bank! You'll be supporting your local Girl Scout troop as well as your community. You'll get a donation receipt for your taxes, and Girl Scouts of Northern California's council will make arrangements to have the boxes delivered to the appropriate organizations.
