Lessons That Last a Lifetime

We are so excited to celebrate our entrepreneurship programming as the key to powering all the amazing Girl Scout opportunities in this Guide! From Archery to Tech Detective to traveling to Japan or Australia, girls experience financial empowerment by engaging in the World’s Largest Girl-Led Entrepreneurial Program in the World.

While focusing on decision making, goal setting, financial literacy, business ethics and people skills, girls learn the importance of how a logo makes customers feel, how cookies are developed from an idea on paper to arriving packaged in NorCal, and how to make their business stand out from thousands of other online businesses. Over 5000 of our incredible volunteers annually invest over $4 million dollars’ worth of hours to support our girls’ businesses.
