Make This Girl Scout Year Your Best Yet.

GSNorCal’s Volunteer Learning Portal is designed to support your experience. With the guidance and support of a volunteer, girls can go as far as their imaginations will take them—and you can be there, right by their side. In fact, 95% of volunteers say they make girls’ lives better at Girl Scouts (and that makes them happy).

We know your time is valuable, which is why the majority of our learning courses are available online and accessible 24/7. It gives you the information you need just when you need it! Most of the online courses are fewer than 10 minutes long. You can learn at a time and pace that is convenient for you, resume where you left off, and your progress will be tracked for your records. Get started by accessing our Volunteer Learning Portal at training.girlscoutsnorcal.org.

You also will find support for your troop with the Volunteer Toolkit App. Its best features include management of troop communication and girl membership. We think it’s a great way for brand new leaders and leaders of new age levels to launch into a Journey and the legacy badges. This tool will be especially helpful to Daisy leaders who are just starting out! The Volunteer Toolkit is available through the MY GS link in the upper menu of our website, www.gsnorcal.org.

Get started now!

Unleash the Go-Getter in you and get started on planning incredible experiences for your troop, friends, and family.

Girls, leaders, and families, we know you are ready for fun, friends, new adventures, and maybe a badge or two! Whether you’re a group, a family, or a girl and her favorite adult, there’s a unique experience just for you. Fly down the zip line, make S’mores, pitch a tent, create an awesome robot, spend time at a maker studio, make a movie, or join a unique slumber party. Whatever the occasion, make new friends or bring old ones to join the adventure.

Leaders, parents, and guardians this guide is for you too! Not only can you pick out exciting activities with the girls, it’s also full of information, resources, and experiences that are designed to enhance the Girl Scout Program. Look for family events, adult-only experiences, and side-by-side opportunities for girls and their favorite adult. The matrix at the back of this issue will help you select events across our 19 counties from September 2017–August 2018.

To get the most out of The Guide, use it alongside the online Activity Finder. The Activity Finder allows you to digitally search experiences. It’s easy to register online, access FAQs, and find detailed registration policies.

Leaders, use this guide to support your troop goals:
1. Discuss the girls interests to develop a plan for the year.
3. Share The Guide with parents and guardians!
4. Make plans with the girls to participate in the Fall Product sale and Girl Scout Cookie sale. Doing so will help them work toward paying for the experiences themselves. Along the way, they will learn a thing or two about money management and goal setting.
5. Girls can attend events with their troop, a buddy, on their own, or with a parent or guardian. (Please note that, unless otherwise indicated, an adult chaperone must attend.)
6. Register for the event at www.gsnorcal.org/events.

Girls, use this guide as your Troop Adventure Handbook. It’s a page turner!
1. Discuss what you and your troop want to accomplish this year with your leader.
2. With your goals and interests in mind, read through The Guide with your troop and mark the experiences that stand out.
3. Select the ones that will make a perfect match with your troop plan.
4. Work with your troop to prepare a pitch for your leader about what you’d like to do and go from there!
5. Have ideas that didn’t make it to the top of the troop list? Ask your parent or guardian if they would be interested!
Girl Scouts is the premier organization for girls in the world and provides quality experiences for girls and their families.

The program sets a rock-solid foundation for girls to navigate relationships and school, discover themselves, and develop the skills they need to create the life path ahead. In that spirit, Girl Scout programs support K-12 girls in building strong life-skills so they can:

- Build a strong sense of self
- Shape positive values
- Seek challenges and take appropriate risks
- Develop healthy relationships
- Contribute to the world in a purposeful and meaningful way

Throughout The Guide and throughout the year you will see Girl Scouts of Northern California’s expertise on display. We are leaders in creating adventure and leadership experiences layered across many topics that are appealing and help girls and families achieve their goals. For example, science, technology, engineering, and math learning continues to be a strong way to develop good critical thinking skills while the Cookie and Fall Product sales help girls develop entrepreneurial abilities, and outdoor experiences help girls take appropriate risks, building confidence!

REGISTRATION INFORMATION

We’ve listed information about programs designed for girls, families, and adults (parents and guardians). Girl Scouts of Northern California offers activities from Eureka to Red Bluff, San Jose to San Francisco, Santa Rosa to Oakland, and all points in between. Discover exciting opportunities to try new things, and develop new friendships in your neighborhood and beyond.

You are invited to attend any of the awesome events listed in this guide. Just look for your age group symbol and attend with troop, family, or friends, as indicated in the registration information. Please note that, unless otherwise stated, girls must attend events with an adult chaperone.

Not a member? That’s ok! It’s easy to become a member at www.gsnorcal.org/join, and participate in all we have to offer.

Registration is now open for events September–December 2017. The full Program and Event Guide will be online and mailed to troop leaders in August to help you plan the rest of your year. Be on the lookout for big events that give girls opportunities to travel and meet other Girl Scouts from all over Northern California.
Throughout the year, new programs may be introduced. Stay up-to-date by using the Activity Finder and watch for program details via email, Facebook, Twitter, and other Girl Scout correspondence. Sign-up at www.gsnorcal.org/subscribe to receive news about everything happening council-wide. Don’t forget to “Like” us on Facebook at facebook.com/gsnorcal and to see pictures from the fun adventures GSNorCal offers.

SPECIAL NEEDS
Because we are all unique, we know you may have special needs that must be met to attend an event.

Please e-mail registration@girlscoutsnorcal.org if you have questions, or to find out whether or not we can accommodate special needs at the event you wish to attend. For events that include food, it is the parent/guardian’s responsibility to let us know about dietary restrictions. We are usually able to accommodate dietary needs such as gluten-free, vegetarian, nut-free, and dairy-free options if we know about them in advance. In some cases, the family will be asked to provide supplemental items.

REFUND/CANCELLATION POLICY
Minimum and maximum attendance requirements exist for all programs. Girl Scouts of Northern California reserves the right to cancel or change any scheduled activities due to lack of enrollment, severe weather, or natural disaster.

- Cancellation and refund requests must be made in writing thirty (30) days before the event to receive 50% of registration fees of $10 or more per individual.
- No refunds will be issued for no-shows.
- The $15 Girl Scout membership fee and $15 GSNorCal Council Service Fee are non-refundable.
- All refund requests must be made in writing to: registration@girlscoutsnorcal.org. Requests should include member’s name, address, program name, date, and reason for refund.

IMPORTANT DATES TO REMEMBER
Opening dates for The Guide events are as follows:

August 2017
- Program and Event Guide mailed to troop leaders.

September 30, 2017
- Deadline for Gold Award Final Reports from girls graduating from 12th grade in 2017 OR her 18th birthday, whichever comes later. Submit final reports directly to the council using the online form on our website.
- Deadline for Silver Award Final Reports from girls graduating from 8th grade in 2017. Teams spanning multiple grades must go by the earliest deadline. Submit final reports directly to the council using the online form found on our website.

October 11, 2017
- Registration opens for events run between January and September 2017.

October 18, 2017
- Golden Gate Bridging registration opens.

October 31, 2017
- 1st round destinations applications are due at the Council office.

October–November 2017
- Fall Sale 2017.

January 29, 2018
- Cookie Sale Go Day.

February 22, 2018
- World Thinking Day.

March 12, 2018
- Girl Scouts 105th Birthday
THE PROGRAM
The Girl Scout program is designed to help girls build the skills they need to thrive today and be ready for tomorrow. They do so through engaging, hands-on activities that foster an environment for girls to build lasting friendships and have fun. Below are the benefits and desired outcomes girls can expect to get out of the program.

Girls:
- build a strong sense of themselves and have confidence in their abilities, forming positive identities.
- act ethically, honestly, and responsibly, and show concern for others, deepening positive values.
- seek challenges and take appropriate risks, try things even if they might fail, and learn from mistakes.
- develop and maintain healthy relationships by communicating their feelings directly and resolving conflicts constructively.
- want to contribute to the world in purposeful and meaningful ways, learn how to identify problems in the community, and create “action plans” to solve them.

The outcomes are achieved through the collaborative work of girls and supportive adults. The well-researched processes used by Girl Scouts help prepare girls to lead projects, work cooperatively with teams and use reflection to learn from one another to solve complex challenges.

The Girl Scout secret sauce used to support the outcomes for girls are Badges and Journeys, Activities and Experiences, Fall Product and Cookie sales, unique leadership opportunities, outdoor adventure, and travel.

BADGES
Learn something entirely new or learn something a little bit better through Girl Scout badges. Acquire practical life skills that are essential and not available at school.

JOURNEYS
We know girls want to make a difference in the world. When girls pursue a Journey they team up with their friends to find a solution to problem and turn it into a plan. While having fun, they are building those much-needed skills for 21st century engagement.

ACTIVITIES & EXPERIENCES
Girl Scouts of Northern California offers a wide range of experiences covering science, technology, engineering and math, art, outdoor skills, healthy relationships, entrepreneurship and more.

This guide is a great resource. Sit down with girls and select experiences that will support their interests and goals and allow them to have fun. There are also activities for families and parents/guardians will have an interest in some of our side-by-side opportunities with their favorite girl.

NUTS AND COOKIES
The Girl Scout Fall Product and Cookie sales are the largest youth entrepreneurship programs in the country. With the 5 Financial Literacy skills—goal setting, decision making, money management, people skills, and business ethics—girls build confidence and financial literacy skills. From Daisy to Ambassador, girls use these programs to earn money for service projects and fees for programs and camps.

Girl experiences are powered by our Product Sales programs.
LEADERSHIP OPPORTUNITIES

Every girl needs skills to lead her own life. Journeys and our unique program experiences offer girls the opportunity to take initiative and lead. Girls are equipped with the skillset to forge their own path and take charge of their future. Learn more about Girl Scouts Highest Awards on page 19.

OUTDOORS AND ADVENTURE

GSNorCal has more adventure partners than any other council in the US. This means more places to try new activities like kayaking, white water rafting, ropes courses, skiing (cross country and downhill) and ice skating. To learn more about high adventure activities and specific troops where girls are passionate about the outdoors, visit www.gsnorcal.org and search "Interest Groups".

TRIPS & TRAVEL

Girl Scouts love to travel! The Girl Scout Product Sales program is the nation's leading business and financial literacy program for girls and can make all the difference with financing travel dreams. When planning activities to earn the money needed for your travel budget, your first stop should be the product sales programs! You can use your rewards cards to help pay for your travel! Visit www.gsnorcal.org/cookies for additional tips on how to finance travel opportunities through our product sales programs.

destinations

Girl Scout destinations are the ultimate adventure for individual girls ages 11 and older! Exciting experiences are offered each year, from the beach in San Diego, to exploring outer space (at Space Camp, but you get the idea). Imagine yourself on global adventures like surfing the tropical waters of Costa Rica or working with China's giant pandas and domestic adventures like working on your own Hollywood Film or a canoeing expedition in the northwoods of Minnesota and Canada! Find out more about destinations at forgirls.girlscouts.org/travel/take-a-trip/destinations

THE GIRLS

The Girl Scout experience has the most impact when it is largely designed by the girls. When girls lead and are supported in making choices about what they want from their experiences, they are more engaged. Planning the year should be done in conjunction with the girls, no matter their age. Find out more about the Girl-Led experience in the Volunteer Learning Portal.

THE TROOP

It is through the troop experience, supported by adults, that the Girl Scout program experience comes to life, letting girls lead the way on how they experience the world. Supporting this environment for girls is easier than you think! Here are five simple steps for planning and making sure girls, at any age, take the lead:

1. Help girls identify their goal(s) for the year. What topics interest them? Do they want to do a Journey? Earn particular badges? Sell 5,000 boxes of cookies? Go camping? Go on a trip?

2. Help girls determine if the goal is meaningful and realistic. For example, completing 3 Journeys and working on the Silver Award in a year is a bit much. Help the girls spread out their plans over their 3 year Cadette experience, or pare down their ideas so that they can focus and get the most out of the things they do!

3. Help girls design the path to the goal. How frequently will you meet? Do they want to attend events as well as meet? If so, which events will help achieve the goal? Which ones will be just for fun? Are there other trips, materials or resources needed to help reach this goal or round out the troop experience? What are their goals for the fall sale and cookie sale to help finance this path?

4. Evaluate the plan with girls and families. Can they do it within budget? Does it present a new challenge for the girls? Does the troop have enough time to accomplish the goals? What can families do to help support the girls?

5. Help girls put the plan into place. Have regular check-ins with the girls about where they are in the plan. Are they on a successful path? Should they shift gears and try to reach the end goal a different way? How can the path be adjusted?

THE EXPERIENCE

Once girls have identified where they want to go, it's time to start getting your tools and planning the meetings. Girl Scout participation, most often, follows the school year and should be a complement to school courses. National and local tools, in combination, provide a supportive and unique single-gendered experience outside the classroom.
THE ADULTS
The adult experience in Girl Scouts, whether you are a parent, guardian or volunteer, is as a mentor, project manager and coach. Supportive adults are key to helping girls to take on challenges, build skills, increase their abilities, and begin to develop their inner passion. This looks different at each age. At younger levels, adults will play a bigger role in setting up and facilitating activities, while still allowing girls the opportunity to be curious. As girls enter middle school (Cadettes), the adult experience changes to become more of a guide and mentor. Allowing girls to make mistakes, find solutions and seek help is part of the plan!

THE VOLUNTEERS
Girl Scout volunteers make a personal investment to support girls. They help create a fun environment that fosters lasting friendships, while introducing concepts and skills that girls want and will need for tomorrow’s challenges. Volunteers are essential for girl experiences to succeed!

THE RESOURCES
Girl Scouts of Northern California has many resources to help girls, their leader, and families get the most out of their Girl Scout experience. From the website, to a troop leader, to neighborhood Girl Scout leadership, to council staff, finding support is a snap. Please visit girlscoutsnorcal.org/for-volunteers for more information or email info@girlscoutsnorcal.org.

VOLUNTEER TOOLKIT
The Volunteer Toolkit is a troop/group management system. It helps leaders with the routine tasks of renewing memberships, adding new members, as well as accessing the Journey and Badge materials. Once the troop/group has selected a Journey or badge, you can auto-plan meetings with selected content, and access resources and meeting aids. It makes planning easy and allows you to spend more time building your confidence to support girls at every stage. The toolkit is available to every Troop Leader upon the completion of member registration or renewal.

VOLUNTEER ESSENTIALS
The Volunteer Essentials (VE) is a great resource for all of your questions related to Girl Scouting. We call it the encyclopedia to Girl Scout volunteering, with everything from guidelines for transporting girls to where to place badges and patches on the girls’ uniforms to learning how to report an accident or even how to reserve a Girl Scout property. This guide fully digital, searchable and printable for your convenience, and can be found at ve.girlscoutsnorcal.org. The VE is updated periodically throughout the year so you’ll have the most up-to-date information at your fingertips. Check it out!

ADULT TROOP SUPPORT
Parents and guardians can do a lot to add to the health of a troop:
- Register as a friends and family member.
- Support girls in their activities, projects and troop duties.
- Where possible, support leader(s) during meetings/activities.
- Support the troop in the Nut and/or Cookie Sale Programs.
- Help the volunteers establish and maintain a positive environment for girls.
- Stay informed, sign up for enews at www.gsnorcal.org/subscribe.

VOLUNTEER LEARNING
Everything you always wanted to learn about Girl Scouting is available at the click of a button in our Volunteer Learning Portal. Access crisp online courses, register for in-person trainings and track your accomplishments. Download all the resources you’ll need to be successful. Get Started Today:

1. Log in: Go to training.girlscoutsnorcal.org
2. Choose your role. If you have more than one role, that’s great! Start with one of your roles, and later check out the modules and resources for your other role(s).
3. Follow your chosen learning path.
4. Track your progress.
   - Once you complete an in-person or online course, you’ll earn a virtual badge for building those skills
   - To view badges you’ve earned, just click on your name in the upper right hand corner and then click “my badges”.

Questions? Contact us at info@girlscoutsnorcal.org.

THE COMMUNITY
Each area within GSNorCal’s 19 counties belongs to a Service Unit. Service Units hold meetings for troop leaders on a regular basis. These meetings offer troop leaders a great place to network, learn about what’s new, and access fun opportunities for your girls! To find out information about your local service unit, please visit GSNorCal.org.
Outdoor Progression

Progression allows girls to learn the skills they need to become competent in the outdoors, including how to plan and organize outdoor activities. Acknowledge a girl’s mastery of an outdoor skill and invite her to challenge herself further by taking that next step up and out.

Outdoor fun can be endless when girls lead!

Leave No Trace Principles

Plan Ahead & Prepare □ Respect Wildlife □ Minimize Campfire Impacts □ Dispose of Waste Properly
Travel & Camp on Durable Surfaces □ Leave What You Find □ Be Considerate of Other Visitors

Learn more and register at www.camprocks.org
PREFERRED VENDORS

Girl Scouts of Northern California is pleased to present you with a guide of resources to enhance your Girl Scout year! The collaborators featured in this guide have met our standards for safety and focused FUN Girl Scouting program! Please use them as a resource; they can set-up events with troops and groups to enhance your program year.

TROOP & INDIVIDUAL GIRL EXPERIENCES

Perfect for those looking for a whole troop experience or for individual girls exploring a new interest

★ ADVENTUREBOTS! INTRO TO VEX
![Robotics patch] Build a bot with enough brains to safely navigate a tricky maze! You’ll put your tinkering abilities and creative problem solving to use with the VEX IQ equipment and software. In just one session, you’ll learn the fundamentals of designing, building, and programming your very own robot. And for adults, there’s even an optional workshop about starting a robotics team.

Please Note: Robotics fun patch included.

★ ADVENTURES IN ARCHERY
![Archery patch] Strength, finesse, and even patience—you’ll hone them all in the century-old sport of archery. Cadettes, you’ll complete steps in the Cadette Archery Badge. Sign up for this class at the Bothin archery range and take part in a variety of games and challenges as you inch your way toward that bullseye!

Please Note: Meets every 2nd Sunday of the month. Separate registration is required for each month.

★ AERIAL INNOVATIONS
![Innovations patch] Delve into aerodynamic innovation as you build, test, and modify different aircraft designs. Use design thinking to explore ways to use air to help fly, float, and fall with style as you construct parachutes and “hovercraft” to test in the air tunnel. Then take your aerial invention home and keep the high flying times alive!

★ AMUSEMENT INNOVATOR AT THE TECH MUSEUM OF INNOVATION
![Innovations patch] Engage in all things entertainment at the Tech Museum of Innovation! You can animate your own artwork, build prototypes of roller coasters, create personalized 3D images, and even make your own custom 3D glasses for viewing.

Please Note: Please bring a portable thumb drive to save your animation and 3D work. Steps 1, 3, and 4 of the Entertainment Technology Badge will be completed.

Indicates New Programs for 2017-18
★ ANIMAL BEHAVIOR WILDLIGHT

Camping and animal science—what could be better? At this overnight adventure, you’ll spend the evening and early morning hours investigating and observing how animals use and conserve energy. You’ll get a glimpse into the life of an animal scientist and learn how they take the data you gather and turn it into the highest quality animal care!

Please Note: Animal encounter, zoo admission, zoo patches, and parking are included.

★ ANIMATION DOMINATION

Connect with experts at the Walt Disney Family Museum and learn how Disney has used special effects to enhance animation and improve the Disney classics! In the learning center, you’ll explore how to create depth using animation and create your own stop-motion short film!

Please Note: Completes 3 steps of Digital Movie Maker Badge.

★ ART & ADVENTURE SLEEPOVER WITH SNOOPY

Spend the night at the Schulz Museum and design your own stamp and letterbox! The fun continues as you roam the museum searching for clues to complete your Letterboxer Badge requirements. You’ll experience art, cartooning, animation, and all the Schulz Museum has to offer after dark. Be prepared for a visit by a special surprise guest, too!

Please Note: Light dinner and continental breakfast included. Letterboxer badge provided.

★ BABYSITTING CERTIFICATION CLASS

Get ready to launch your own babysitting business! This Child and Babysitting Safety (CABS) course will teach you all the skills and techniques to become an even better babysitter—parent interaction, safety, diapering, and more. By the end of the day, you’ll be a world-class babysitter!

BEIJING XI’AN SHANGHAI

Adventure, history, and tradition all await in China! From a Peking Duck dinner to a traditional tea ceremony, a rickshaw ride to viewing the Terra Cotta Warriors, the memories are there for the making. Your experiences will be both grand and intimate—from seeing the Great Wall and ancient palaces up close to enjoying a traditional Chinese meal with a local family and visiting a local school. This is a unique trip you won’t want to miss!

Please Note: Travel dates may fluctuate 3-4 days depending on flight schedules, hotels and availability of activities. Prices increase as we get closer to the travel dates so early registration will save you money.

★ BOOTH MAKERS AT SANTA CLARA UNIVERSITY

Design and build a custom Girl Scout Cookie booth with your troop. With help from engineering and design students, you’ll construct a booth that combines function and flair. Start with your own table, then frame your booth design structure with PVC plastic pipe and “bling” with creative cardboard designs. This cookie season, build your traffic-stopping booth together!

Please Note: Bring your own cookie booth table. Girls will work in groups of 3-7 girls. Groups of 8 or more will split into two teams. Wear work clothes and closed-toe shoes. Lunch included.

★ BOOTH MAKERS AT UC BERKELEY

Design and build a custom Girl Scout Cookie booth with your troop. With help from engineering and design students, you’ll construct a booth that combines function and flair. Start with your own table, then frame your booth design structure with PVC plastic pipe and “bling” with creative cardboard designs. This cookie season, build your traffic-stopping booth together! Lunch provided.

Please Note: Bring your own cookie booth table. Girls will work in groups of 3-7 girls. Groups of 8 or more will split into two teams. Wear work clothes and closed-toe shoes. Please bring sack lunch.
★ BROOMBALLIN’

Strap on those skates and hit the rink for some good old fashioned Broomball—an icy cross between curling, hockey, and soccer. Never played? Not a problem! You’ll learn basic skating skills and glide right out of your comfort zone and into an exciting new sport. Get your troop out on the ice for this Broomball showdown.

Please Note: The games will be 6 vs 6, bring your whole troop or at least 6 girls for the best experience.

★ BROWNIE BUGS AT HEATHER FARM

Bugs might be pests sometimes, but they’re also extremely important to our eco-system. In this engaging and interactive workshop, you’ll learn about all kinds of creepy crawlers from bug specialists, make buggy crafts, and work toward earning your Bugs Badge!

★ BROWNIE FLYERS AT HILLER AVIATION MUSEUM

The world of flight is always exciting! Join us at the Hiller Aviation Museum where you’ll help assemble a full-sized airplane. You’ll also fly a model aircraft, venture out on a female aviator scavenger hunt, and experience a virtual flight!

Please Note: Includes a Hiller fun patch. Completes Step 1 of the Senses Badge and Step 3 of the Computer Expert Badge.

★ BROWNIES SENSES SEALS AND SLIPPERS

Sleep under the stars at The Marine Mammal Center while earning your Senses badge! You’ll engage all your senses as you listen for the difference between an elephant seal vocalization and a sea lion bark, smell and observe a fishy nighttime feeding, taste a delicious dinner, and get hands-on with equipment used to care for marine mammal patients.

★ BUGS AND BROWNIES AT TURTLE BAY

Unearth the fascinating world of bugs at Turtle Bay Exploration Park in Redding! Brownies will learn why bugs are not only cool but important to our planet with interactive activities and crafts like exploring bug homes, drawing bug posters, and even seeing some bug collections!

Please Note: Participation patch and park admission are included.

★ BUILD A PLAYHOUSE

Team up with fellow Girl Scouts and Habitat for Humanity East Bay/Silicon Valley to assemble a full-size kid’s playhouse. Working from the ground up, assemble the walls, shingle the roof, and finish it off with a kid-friendly paint design. Learn about construction tools and techniques on the job, so just come in your paint clothes and get ready for some community-supporting fun! Playhouses will be donated to local families through a nonprofit group.

Please Note: Wear work/paint clothes and closed-toe shoes. Playhouses will be donated to a local family through Habitat for Humanity.

★ CADETTE JOURNEY: BREATHE AT THE HAYWARD SHORELINE

Head out to the Hayward Shoreline and complete your Breathe Journey! Engage in a discussion about pollution and learn how its various forms can affect your health. You’ll also examine how to breathe more easily in your day-to-day routine - an exercise that’s good for the body and the mind! And by the end, your Take Action Project will be complete.

Please Note: All meetings required: 4/28/18, 5/19/18. Journey badge provided.
CALL OF THE SEA: OCEANOGRAPHER

Climb aboard Seaward and cruise the Bay on this beautiful sailboat with your whole troop. During this "Oceanographer for a Day" program, learn how to sail and all about the ecology of San Francisco Bay. Conduct water quality tests, catch plankton and learn about the watershed of the Bay Area. This bay exploration is a fantastic chance for Girl Scouts to expand upon their Trailblazer, Traveler, Adventurer, or Water badges.

Please Note: Badge not provided.

CALL OF THE SEA: SAILING INVESTIGATION

All aboard the Seaward! You and your troop can master the basics of sailing while learning about the ecology of the San Francisco Bay. You'll conduct water tests, catch plankton, and earn part of your Animal Habitats or Independence badges, all while cruising around the beautiful bay.

Please Note: Badge not provided.

CAMP BOTHIN ADVENTURE WEEKEND

Older girls, get ready for a girls-only weekend of adventure! Climb to new heights on the ropes course, hone your precision on the archery range, and host a campfire complete with skits and songs. Sleep in open air cabins and platform tents among the trees.

Please Note: participants must attend the entire weekend; leaving early or arriving late disrupts the program. Adults are not required but we need a few for the weekend.

CHOPPED GOES OUTDOORS

Which team will end up on top? Put your culinary skills to the test at the Chopped outdoor cooking challenge. First, learn the basics of outdoor cooking, then put that knowledge into action! Just like the exciting TV show, you'll receive a basket of mystery ingredients (along with basic pantry items) to create a masterpiece and wow the judges!

★ CLAY ANIMATION

Creativity comes to life with stop-motion animation! Collaborate to develop a story, sculpt original clay characters, and produce a stop-motion animation film. Share your group's movie with family and friends, on your Digital Cookie webpage, or at the Girl Scout Red Carpet event.

★ DIGITAL MOVIE MAKING

Creativity comes to life with stop-motion animation! Collaborate to develop a story, sculpt original clay characters, and produce a stop-motion animation film. Share your group's movie with family and friends, on your Digital Cookie webpage, or at the Girl Scout Red Carpet event.

CLUES IN THE CITY

Romp around the city finding clues and solving puzzles! Ride the ferry, find hidden treasures, and use your powers of observation to unearth the most secret corners of San Francisco. This epic urban adventure will be challenging, but oh so rewarding!

COSTA RICA: A TOUCH OF THE TROPICS

Delve into the ecological paradise of Costa Rica. Walk amid lush rainforests and beneath towering volcanoes; transport yourself deep into a misty cloud forest; see the magnificent plant and animal habitats up close; explore a local farm; and see sensational waterfalls and hot springs. From start to finish, you'll experience the Costa Rica's natural beauty and thrilling adventures.

Please Note: Travel dates may fluctuate 3-4 days depending on flight schedules, hotels and availability of activities. Prices increase as we get closer to the travel dates so early registration will save you money.

CRAFTAPALOOZA SALES BOOTH

Sell your handmade items and earn some cash at Craftapalooza. You'll also host a free badge activity booth at the Badge Expo! Register soon so you can start showing off your creative craftiness and practicing your sales pitch!

Please Note: Each troop must register their booth and have plans approved through the online registration system before 11/10/17.

DAISY HEROES OF THE MARINE MAMMAL CENTER

Join us at the Marine Mammal Center and spend time with their slippery seal patients! You'll take a tour of the marine mammal hospital, catch a glimpse of the seal feeding, and enjoy hands-on activities in the Discovery Classroom. You'll learn what it takes to care for these animals and come home with inspiration for your own Take Action project!
EARTH DAY SLEEPOVER

Celebrate Earth Day with a sleepover at the Hayward Shoreline! You can hike through the marsh at twilight, make a craft to help you “go green”, and play games that remind us how we can protect our earth. Not to mention cocoa . . . lots of cocoa.

Please Note: Fun patch provided.

FASHIONATE CREATE

Become a fashionista for a day of stylish swagger and haute competition! With the help of local industry mentors, you’ll use refashioning and upcycling techniques to create your own unique back-to-school designs. Then model your creations in a fashion show and compete for prizes!

Please Note: This program is for girls in 8-12th grades.

Lunch, snacks, and supplies provided.

FOLLOW THE CLUES

Who’s up for a treasure hunt? Let your inner sleuth loose at the Hayward Shoreline where you’ll discover what geocaching is and put your newfound knowledge to work as you track a cache along the shoreline.

Please Note: Geocacher Badge provided.

GARDEN PARTY AT THE SF ZOO

Did you know that animals actually help gardens to grow? As you explore the gardens and conservation center at the San Francisco Zoo, you’ll learn how animals both rely on the plants and help them grow. You’ll get to help tend the garden and observe pollinators like birds and bees all while working on your It’s Your World—Change It! Journey.

Please Note: Animal encounter, zoo admission, zoo patches, and parking are included.

GIFT (GIRLS IN FUTURE TECHNOLOGIES) DAY WITH AT&T

Join us for the third annual GIFT day sponsored by the Women of AT&T. You’ll engage in hands-on workshops to learn about emerging technologies, coding, and cyber safety. Our leading role models aim to break any misconceptions about girls’ capability in tech fields while exposing them to promising potential careers.

Please Note: Fun patch and snacks provided. Lunch purchase option will be available.
GIRL SCOUTS AT THE RACES

Rev your engines and buckle up for an exhilarating day at Sonoma Raceway! With the help of your self-selected pit-crew, you’ll design and construct your race car, then hit the mini-track for the Indy Car GoPro Grand Prix.

Please Note: Girls will create their cars in advance and bring them to the event.

GLASSFUSING ART AT THE CRUCIBLE

Take part in the hot industrial art form of glass fusing! You’ll cut and shape glass to create a mosaic tile, then melt it in the kiln and see what colorful creation comes out!

GOING GREEN

What does it really mean to be eco-friendly? Investigate what “going green” looks like and how that affects your everyday actions. You’ll use the resources at the Hayward Shoreline Interpretive Center to better understand sustainability and earn your Household Elf badge.

Please Note: Household Elf Badge provided.

GOLDEN GATE BRIDGING

Can you imagine 7,000 girls taking the iconic Golden Gate bridge by storm? It happens every year at GSNorCal’s biggest annual event. Join Girl Scouts from all over the country as you walk across the Golden Gate Bridge and transition from Junior to Cadette. After the bridging, it’s time to party! Head down to Crissy Field for an afternoon filled with dancing, activity booths, and all kinds of entertainment! This is a once in a lifetime opportunity and a great introduction to older girl programs and the Girl Scout Leadership Experience.

HEADLANDS NIGHTLIFE

Lace up your hiking boots and get ready for an autumn night adventure in the Marin Headlands! At this evening under the stars, you’ll fine-tune your senses and learn what it really means to be nocturnal. And after the adventure in the dark, you’ll warm up next to a cozy campfire complete with songs and s’mores!

HIGH ROPES ADVENTURE DAY

Who’s ready for a high ropes challenge? Come fly with us at Skylark Ranch and soar at 45 feet above the ground! You’ll gear up with your instructor before you take the sky and prepare to tackle all three of our high ropes challenges!

HOME SCIENTIST AT THE TECH MUSEUM OF INNOVATION

You can become a kitchen chemist! Transform everyday pantry items into tasty treats by channeling the amazing properties of density and electricity. Even construct your own ball of silly putty (but don’t eat that!) as you experiment your way to the Home Scientist Badge.

Please Note: Home Scientist Badge provided.

IMAGINEERING AT THE DISNEY MUSEUM

Visit the Walt Disney Family Museum and accomplish three of the five steps for earning your Inventor Badge. In the galleries, you’ll learn about the Disney Imagineers who imagined and invented some of Disney’s most iconic attractions. Then head to the learning center where you’ll do some imagineering of your own and collaborate to design a solution to a prompted problem.

Please Note: Completes 3 steps of Inventor Badge.

IN THE MUD - SHORESIDE

Do you know what lives down in the mud at the bottom of the Bay? Find out at the Marine Science Institute! Get your hands dirty on the muddy bay floor and hunt for clams, mussels, snails, and more. You’ll learn how these animals find food and escape predators in this dark and squishy place. And you might even see a shark—another creature at home in the mud!

IN THE MUD - TIDEPOOL

It’s time to get your feet wet and discover the many wonders of salty, rocky tide pools! Once you take a closer look, you’ll find an amazing array of creatures including sea stars, anemones, and crabs. You’ll learn how these submerged terrains come to be and how the tidepool creatures live their lives in this ever-changing environment!

TROOP & INDIVIDUAL GIRL EXPERIENCES • 17
**INNOVATION CHALLENGE**

Calling all innovators! This is your chance to put that inventive mind to work. Equipped with only a prompt, a mystery box of materials, and a zeal for creative problem solving, your team will build a prototype that solves the prompted challenge. This is a feat of teamwork and a great introduction to design thinking.

**INTRO TO FILM MAKING WITH DIGITAL MEDIA ACADEMY**

Put on your director’s hat for Digital Media Academy’s intro to film workshop. In this DMA Made By Girls Program, unleash your storytelling superpowers and build a prototype for your own film. You’ll review storyboarding, filming techniques, and editing concepts—so bring your blockbuster ideas!

**Please Note:** Participation patch, Canon cameras, Macbook computers, iMovie software, green screens, and lights are provided. No filmmaking experience required.

**JEWELER’S METALSMITHING AT THE CRUCIBLE**

Hardcore jewelry-making and industrial arts are right around the corner! With help from experts at The Crucible, you’ll work with copper or bronze and learn to anneal, cut, drill, hammer, and texture your own charm, pendant, key chain, or zipper pull. This welding is well worth your time!

**JUNIORS ANIMAL HABITATS SEALS AND SLIPPERS**

Have you ever had a sleepover with seals? Now’s your chance! Investigate all the marine mammals living on the California shoreline and learn how you can help care for them and preserve their habitat. Then in the morning, you’ll hike around the beautiful Rodeo Lagoon to see more local wildlife up close and participate in a beach clean-up. What an awesome way to earn your Animal Habitats badge!

**JUNIORS GET MOVING AT THE HAYWARD SHORELINE**

Explore all forms of energy that exist in the world and complete your Get Moving Journey! You’ll hike, craft, and conduct experiments, all while learning about energy conservation. And by the end of this energetic journey, your Take Action Project will be complete!

**Please Note:** All meetings required: 1/27/18, 2/24/18, 3/24/18. Journey Badge provided.

**LEAD THE WAY**

There’s a bright future right in front of you—reach for it at Lead the Way! At this weekend conference, you’ll join fellow girl change-makers and inspirational adults to boost your confidence and focus on your future. Days will be packed with college prep, career-thinking, life skills, and new friendships—everything you need to pave your own unique way through the world!

**Please Note:** Includes a Hiller fun patch. Completes Step 2 of the Detective Badge.

**LEAD THE WAY PLANNING COMMITTEE**

Do you have what it takes to lead the way? Embrace your inner event planner with this girl-led planning committee for the 2018 Lead The Way conference. Run the show from start to finish by recruiting professional presenters, designing the theme and decorations, and orchestrating all the activities. And the best part? You’ll see your hard work in action when 160 girls join you for a weekend of dreaming big!

**Please Note:** Required Meeting Dates: 8/21/17, 9/25/17, 10/30/17, 12/11/17, 1/15/18, 1/29/18, 2/12/18. Must attend the Lead the Way Conference. Service to Girl Scouting bar is earned and provided.
MALL MADNESS

Get ready for an epic night! At this mall adventure, you can shop while it’s open and play while it’s closed. There’ll be movies, a scavenger hunt, crafts, SWAPS, midnight snacks, a live DJ dance club, and a troop runway walk. Then wake up to a yummy breakfast before the mall opens again. This is Mall Madness at its best.

MONARCH BUTTERFLY WALK

Traversing thousands of miles at high speeds, clusters of monarch butterflies return to the same trees in the San Leandro Marina every year during the cold winter months. See these incredible creatures up close and learn about their life cycle and migration patterns from the expert naturalist guides!

Please Note: Badge not provided.

NAVIGATE THE NIGHT HIKE

Trade in the bright city lights for a night of starry wonder! You’ll hike through the Marin Headlands as you learn to follow the stars and navigate your way back to the cozy campfire, where songs and s’mores await!

OCEANS AGLOW

Get ready for an evening of thrills under the stars! NatureBridge will lead you on a beautiful night hike to Rodeo Beach. You’ll see how the beach and the ocean come alive after dark and even get a glimpse of some bioluminescent beach dwellers.

ON THE ROAD AGAIN

Bumpass Pass, Fern Canyon, Hurricane Ridge, Butchart Gardens—this is just a taste of what’s to come during On The Road Again. You’ll visit three states, one Canadian province, three national parks, and plenty of state parks. Transportation, meals, accommodation, and program fees are all included in this epic road trip experience. And don’t forget, a physical examination within 1 year of July 21, 2017 is required.

Please Note: There will be two mandatory meeting on Sunday May 20 and Sunday June 10 in Vacaville.
OUTDOOR ART EXPLORER
AT HEATHER FARM

Art is all around us! Using nature as your muse, you’ll get outdoors and handcraft something inspired by the natural world. You’ll see how the world around you can guide your creativity and make you the best artist you can be! Plus, you’ll complete the first two steps of the “Outdoor Art Explorer” badge!

PASSAGE THROUGH PANAMA

The journey in Panama is full of history and adventure. Visit the Viejo and Portobello Ruins, explore the famous Panama Canal, hike to view pre-Columbian stone carvings, and travel along the Pan-American Highway. Have fun in the water too with a boat trip to Monkey Island, a canoe ride on the Rio Chagres and snorkeling! You’ll also see the country on a local level when you meet community residents, experience a Folklore dance show, and visit a pineapple farm.

Please Note: Travel dates may fluctuate 3-4 days depending on flight schedules, hotels and availability of activities. Prices increase as we get closer to the travel dates so early registration will save you money.

PLAYGROUND SCIENTIST
AT THE SAN FRANCISCO ZOO

Get ready to run, jump, stretch, and climb! You will explore the Elinor Friend Playground at the San Francisco Zoo, and discover how animals adapt to their habitat through play. How do you think your adaptations are similar or different from an animal’s? Investigate and explore to find out while working on your It’s Your Story—Tell It! Journey.

Please Note: Animal encounter, zoo admission, zoo patches, and parking are included.

ROBOT CODING

Have you ever taught a robot to navigate a maze? Using the power of coding and visual programming, you can! Work with a small group to design a maze, then program your Wonder Workshop robot to navigate it successfully. More experienced coders can program sensor inputs and use loops to avoid the obstacles, and new coders will get hands-on exposure to the world of programming.

SCARE SCHOOL AT CALIFORNIA’S GREAT AMERICA

A scream-worthy exclusive event at Great America! Go behind the scenes and join the monster make-up artists and haunt designers to learn the tricks and treats that go into creating the frightening scream-scape. And after a few lucky Girl Scouts receive a “ghoul scout” transformation, you can all join your families for the infamous Halloween Haunt!

Please Note: Participation patch and park admission are included.

SCHULZ MUSEUM: COMIC ARTIST

Collaborate with professional cartoonists and learn to express your creativity through graphic art. You’ll develop your very own stories and characters to create a personalized comic strip, all while earning your Comic Artist Badge!

Please Note: Comic Artist Badge included. Adults not needed to attend.

SCIENTISTS UNITE

Have you ever wanted to just get messy in the kitchen? Channel your inner mad scientist and use common kitchen items to experiment and create chemistry magic! Then head outside to explore the Hayward Shoreline Interpretive Center, all while earning your Home Scientist badge.

Please Note: Home Scientists Badge provided.

SECRET LIFE OF ANIMALS

Head over to the Hayward Shoreline and explore the bay’s mysterious marshlands! You’ll discover a whole new world of wetlands wildlife while learning how to protect these precious habitats. And by the end of the trip, you’ll have earned your Animal Habitats Badge.

Please Note: Animal Habitats Badge provided.

SKY DAISIES AT HILLER AVIATION MUSEUM

A thrilling day at the Hiller Aviation Museum is clear for take-off! Get up close to a real airplane, touch all the parts, and climb inside to test all the controls. You’ll make and fly a working glider and even see the collection of aircraft flown by the inspiring women in aviation.

Please Note: Includes a Hiller fun patch. This is a great side trip for the Between Earth and Sky Journey or Tula petal.
SLEEPOVER AT CODDINGTOWN MALL

Take over the mall and take on community outreach! At this awesome mall sleepover, you can make Happy Socks for the local shelter, comfort kits for the Red Cross, along with many other projects that will benefit your community. Have a blast and make a difference!

Please Note: Includes light late-night dinner.

SPECIAL AGENT AT THE TECH MUSEUM OF INNOVATION

Special agents contain multitudes! They’re detectives, scientists, and enforcers of the law—come work on your Special Agent Badge and see what it’s like to walk in their shoes. You’ll investigate techniques of a fingerprint analyst, practice the art of forensic drawing, and learn the basics of forensic chemistry. Science doesn’t get much cooler.

Please Note: Steps 1, 3, and 5 of the Special Agent Badge will be completed.

STAR PARTY AT RFO

Get ready for a stellar astronomy experience at the Robert Ferguson Observatory. See incredible close-up views of the stars through RFO’s telescopes, enjoy a space talk, ask Night Sky Network amateur astronomers questions, get hands-on with space science models, and create space art. Arrive early to take a Solar System walk and enjoy your picnic dinner. After the sun sets, the Star Party begins!

Please Note: Overnight registration includes space at Sugarloaf Ridge group campsite and breakfast. Bring your own picnic dinner. Star Party Patch included.

STAR PARTY AT TWIN CANYON

Enjoy a stellar astronomy experience at Twin Canyon. Get close-up views of the stars through telescopes, ask Night Sky Network amateur astronomers questions, and get hands-on with space science. Arrive early to enjoy your picnic dinner. As the sun starts to set, the Star Party begins!

Please Note: Overnight registration includes space at Twin Canyon group campsites and breakfast. No host/camping certification required. Bring your own picnic dinner. Star Party Patch included.

STARRY SKIES

Bring your troop into the darkness to explore and admire the ever-fascinating moon! Hike with NatureBridge to get the best views and use binoculars and spotting scopes to observe the moon’s surface. You’ll learn how something so far away can still affect us here on earth.
SURVIVOR
Do you have what it takes to be the next Survivor? Join us and find out! On Friday you’ll learn about the challenges and start your strategic plotting. Then the real fun begins on Saturday—compete in mental and physical immunity challenges, use your earned points to purchase sleeping and shelter supplies, and win meals through reward challenges. The stakes are high, the game is real—this is an event you don’t want to miss!

Please Note: Teams consist of eight to ten girls, troops may be combined as needed.

TECH DETECTIVE AT THE TECH MUSEUM OF INNOVATION
Do you have what it takes to become a tech detective? Sharpen your observation skills with challenging brain puzzles, DNA extraction and learn how to obtain and analyze crime scene fingerprints. This is a great step as you work toward your Detective Badge.

Please Note: Steps 1, 3, and 4 of the Detective Badge will be completed.

TEENS TAKE OVER
At Teens Take Over girls know what they want and step up to take charge! With supportive adults and friends by your side, you’ll create a huge event for fellow Girl Scouts to attend. Each meeting is a new adventure as you plan and execute the next big thing.

Please Note: Meeting dates: San Jose and Chico - 9/5/17, 10/3/17, 11/7/17, 12/5/17, 1/9/18, 2/6/18, 3/6/18, 4/3/18, 5/1/18; San Bruno - 9/21/17, 10/19/17, 11/16/17, 1/18/18, 2/15/18, 3/15/18, 4/19/18, 5/17/18. Service to Girl Scouting Bar earned and provided.

THE ADVENTURE BEGINS
Learn from the best and the brightest with the Santa Rosa Gold Award Committee and previous Gold and Silver award recipients. You’ll learn all the tricks of the trade and understand the steps they took to earn the money to support their projects and travel goals! If you have questions about awards, travel, and money-earning—this is the place to be!

TOON IN: ILLUSTRATE AND CREATE
Spend the day at the Walt Disney Family Museum and accomplish three of the five steps toward earning a Drawing Badge. In the galleries, you’ll learn how important drawing was for the early animated Disney films. Next, visit the learning center and experiment with different materials to practice visual effects like stippling, cross-hatching, and smudging. Finally, you’ll make your own concept art, backgrounds, and cartoon characters and showcase your work!

Please Note: Completes 3 steps of Drawing Badge.

WATERWORKS 2018
End your summer with a splash as the Girl Scouts take over Waterworks Park in Redding for a massive sleepover. Kick up your adrenaline on seven intense water slides or take a relaxing spin around the Lazy Lagoon. Then dance the night away with our DJ and sleep under the stars! Breakfast and lunch on Sunday are provided for overnighters, and Sunday lunch is provided if you just come for the day! Bonus: every girl will receive a fun patch!

Please Note: Sunday only at 9:30AM. No tagalongs. Saturday check-in will be in order of date of registration. Every girl receives a participation patch.

WONDERS OF WATER: KEEPER CAPER
Discover the mystifying properties of water during this twilight tour of the San Francisco Zoo. You’ll explore all kinds of animal exhibits and investigate how water is crucial to each animal’s ecosystem. You’ll see the animals in a brand new light and learn about the powers of water!

Please Note: Animal encounter, zoo admission, zoo patches, and parking are included.

Thank you and Good Night!

Les Brown says, “Failure does not come in aiming too high and missing it; it comes in shooting too low and making it.”

Can have fun and develop business, sales, and leadership skills.

My advice to all Brownies and Girl Scouts is to think about what would you want to buy and how they can sell it. That way, they

accomplishes goals.” Effort takes struggle, hard work and time.

I have been a Girl Scout for the past three years. In past years, I have always gone way above my goal. Most people would call

10,000 boxes. By setting high standards, I achieved less than I dreamed but more than I ever imagined.

15,000 boxes. When I told my mom that night about online sales she said, “No, you’ll do it, because hard work and time

I was tired from thinking about

Although people said I couldn’t reach my goal or come anywhere close, I wanted to make myself proud by going higher than

everyone’s expectations. I would sit down, hour after hour on sick days, before debate class, and after rehearsals to write emails and

call my friends and family. Most of my sales came from online sales. When I first heard about online sales in 2nd grade,

my Girl Scout leader said it would be a little challenging for us, and we might want to hold off until next year. But I came home

not knowing whether or not to try online sales for my first year of Girl Scout cookie selling. I was tired from thinking about all

that hard work. When I told my mom that night about online sales she said, “No, you’ll do it, because hard work and time

accomplishes goals.” Effort takes struggle, hard work and time.

My advice to all Brownies and Girl Scouts is to think about what would they want to buy and how they can sell it. That way, they can have fun and develop business, sales, and leadership skills.

Les Brown says, “Failure does not come in aiming too high and missing it; it comes in shooting too low and making it.”

Thank you and Good Night!

-Melanie G.
Join us for skill-building badge programs for Brownies, Juniors and Cadettes!

PREFERRED VENDORS & PROGRAM PARTNERS • 33
With the Volunteer Toolkit web app, you have a digital assistant at your fingertips. Find the tools you need to quickly plan and organize your troop's activities, send parent emails, manage troop finances, and more. The Volunteer Toolkit makes running a troop easier than ever, so you can focus on the important part—having fun.

To learn more, visit www.gsnorcal.org and click on My GS.

MORE TIME TO GET YOUR HANDS DIRTY.
BE AN EXTRAORDINARY TROOP

Take your troop management to the next level! At this event, adults and girls will work side by side to learn the “patrol system”—a technique for organizing meetings, structuring leadership and accomplishing goals. Girls and leaders, you’ll be amazed at what you can achieve when positive systems are learned and implemented.

BOTHIN BRIDGING BASH: BROWNIES!

Congratulations Brownies! Come bridge under the beautiful trees and bright stars at Camp Bothin! There will be all kinds of activities and adventures as you take the first of many steps toward earning Brownie badges. The evening will be filled with songs and skits around the campfire, and in the morning, Brownies will be there to welcome you over the bridge!

Please Note: Maximum of one adult per girl participant. Participants must attend the entire weekend; leaving early or arriving late disrupts the program.

BOTHIN BRIDGING BUDDIES

Calling all older Girl Scouts! Spend a weekend at Camp Bothin and put your leadership skills to work! You’ll help make the Bothin Bridging Bash a success by planning and leading two evening campfires and facilitating a younger girl activity. And don’t worry, there will still be plenty of time to relax, play games, and hang out under the trees at Camp Bothin!

Please Note: Maximum of one adult per girl participant. Participants must attend the entire weekend; leaving early or arriving late disrupts the program.
CAMP WORK PARTIES

Get your hands dirty and show your favorite camp some love! Help us keep our camps in great shape with painting projects, trail improvement, and general maintenance. No experience required—just a can-do attitude! All girls (brownie and older), troops, families, friends, and adults are welcome. Lunch is provided, and at select camps, there’s free camping the night before. You’ll earn a unique patch and an unbeatable feeling of knowing you made a difference!

Please Note: Work Party Patch provided.

CAN YOU RELATE?

There's nothing stronger than a friendship, but navigating the ups and downs isn't always easy. Led by award-winning author Annie Fox, this powerful workshop emboldens girls to build positive friendships and guides parents through the most effective support strategies.

CITIZEN SCIENCE: PLANTS!

It's time for some outdoor science exploration! Spend the day exploring the banks of the San Francisquito Creek and restoring its native plants and habitat. You'll learn about local flora and fauna and your work will help the area thrive.

CANOE S IN SLOUGHS

Older Girl Scouts and troops, join us as we team up with the Marine Science Institute for a fun-filled day of paddling, ruddering, and canoeing the waters of the San Francisco Bay! Practice your canoe skills, explore the local ecosystems, and learn about the current environmental threats to the Bay.

DISCOVEREE

Ready to spice up your Girl Scout leadership? Join us at Discoveree—a one-day event focused on how you can help your girls thrive. You'll meet other Girl Scout leaders and enthusiasts, and together, learn engaging new crafts, outdoor skills, positive youth development techniques, and everything in between! And Discoveree isn't just for adults—Girl Scouts in grades 9-12 can participate in workshops about destinations, Go for the Gold, College Admission Planning, and more.

ENGINEERING FUN DAY AT SANTA CLARA UNIVERSITY

Interested in engineering and technology? Give it the old college try! Spend the day at Santa Clara University doing hands-on activities with female student experts. Adults can register to hear a panel of female engineers offering advice for sustaining girls' interest in STEM. Adults and girls will join forces in the afternoon for activities that put their newfound knowledge to the test!

Please Note: Bring a lunch. Fun patch and snacks provided.

ENGINEERING FUN DAY AT U.C. BERKELEY

Interested in engineering and technology? Give it the old college try! Spend the day at UC Berkeley doing hands-on activities with female student experts. Adults can register to hear a panel of female engineers offering advice for sustaining girls' interest in STEM. Adults and girls will join forces in the afternoon for activities that put their newfound knowledge to the test!

Please Note: Bring a lunch. Fun patch and snacks provided.

EXPLORE AND MORE

Get outdoors and continue building your outdoor skills and confidence! Ready to take your outdoor skills to the next level? Join us for a day of outdoor fun to learn wilderness techniques like shelter building, rainy-day fires, wilderness first aid, “Leave No Trace,” and how to bake cookies in a box oven! Troop leaders, learn some easy tips to continue outdoor experiences with your girls throughout the year. Steps from the Junior Camper, Junior Eco Camper, and Cadette Primitive Camper will be completed.

GAL AND ME ADVENTURE WEEKEND

Older girls, bring your favorite female adult to a girls-only weekend of adventure! Climb to new heights on the ropes course, hone your precision on the archery range, and cook meals over an open campfire complete with skits and songs! Sleep in open air cabins and platform tents among the trees.

Please Note: Participants must attend the entire weekend; leaving early or arriving late disrupts the program.
GIRLS FRIENDSHIP WITHOUT THE DRAMA

There’s nothing stronger than a friendship, but navigating the ups and downs isn’t always easy. Led by award-winning author Annie Fox, this powerful workshop emboldens girls to build positive friendships and guides parents through the most effective support strategies.

GO DAISY

A full day of outdoor Daisy excitement awaits! Learn the basics of knot tying, environmental care, first aid, and urban hiking! This is a great first step for any Daisy looking to develop outdoor skills and a sense of confidence. Leaders will come away with tips and tricks for planning outdoor activities, and girls will complete steps for the Daisy Buddy Camper Badge, Clover, and Rosie Petals. Let’s get outside together!

GOLD AWARD WEBINAR

Ready to go for the gold? Lucky for you, learning about the Gold Award process is easier than ever. This webinar will connect you with experts and teach you everything you need to know about earning the highest award in Girl Scouting—and you don’t even have to get off the couch!

Please Note: This Gold Award Webinar is an official Girl Scouts of Northern California Gold Award Online Training.

IT’S A MONEY THING

It’s never too early to start learning about money. In this useful interactive workshop with Morgan Stanley financial expert, Sara O. Farner, you’ll learn steps to become financially savvy and take control of your financial future. We promise, there’s nothing boring about financial independence!

LAUNCH TO COLLEGE

Are you ready for college application season? We can help you get there! College counselor Jennifer Williams Taylor will lead a discussion on “The Building Blocks of Applying to College.” This is a great opportunity for girls and adults to work together to craft a plan for that next exciting phase of life!

OLDER GIRL CPR AND FIRST AID CERTIFICATION

In an emergency situation, be ready to step into action! This course will teach you the best responses to life-threatening emergencies, including cardiac arrest and choking. You’ll also learn to recognize the warning signs of stroke and breathing difficulty. There’s nothing safer than being prepared.

SILVER AWARD WEBINAR

With this webinar, girls and adults can learn everything there is to know about earning the Girl Scout Silver Award. Whether you’re on the go or in the comfort of your home, you’ll connect with experts and come away with all the info you need to get started on your Silver Award.

Please Note: This Silver Award Webinar is an official Girl Scouts of Northern California Silver Award Online Training.

S’MORES AND MORE

Ready to become an outdoor skills virtuoso? Then join us for a day of camp craft skills! You’ll work on knot tying, lashing, fire building, orienteering, and outdoor safety. Troop leaders will come away with tips for continuing the outdoor adventures all year long, and steps from the Brownie Cabin Camper, Brownie Outdoor Adventure, and Junior Camper Badges will be completed.

STEM CAREER DAY AT THE BUCK INSTITUTE FOR RESEARCH ON AGING

Talk to real scientists and researchers at the Buck Institute and join the specialized workshops where you can explore topics in biology, bioenergetics, mass spectrometry, neuroscience and stem cell science. And the day doesn’t stop there! Lunchtime will include a STEM career fair and adults can partake in a panel discussion with researchers and industry professionals. Don’t miss this unique opportunity!

Please Note: Fun patch, lunch, and snacks are included. Girls will be able to pre-select two workshops.
FAMILY EXPERIENCES

Action packed adventure and unique experiences for the whole family

ANGEL ISLAND ADVENTURE

See the Bay Area’s most unique location through the lens of your camera! Pack your camera, a picnic lunch, and your photographer’s eye for this Angel Island scavenger hunt! Once you’ve hiked as much of the island as you can, celebrate your success with a group snack before heading home. This adventure will fulfill steps 1 and 2 of the Digital Photographer badge.

Please Note: Ferry ticket included in price; bring picnic lunch; tag-alongs must be at least as old as the participating Girl Scouts (grades 4+).

BROWNIE HOME SCIENTIST AT TURTLE BAY

What kind of science is hiding in your home? Join us and find out! Whether it’s density or static electricity, science is happening in your home all the time. And in this workshop, you’ll learn how to spot the science at work, and safely experiment in your own household.

Please Note: Participation patch and park admission are included.

BUILD IT! FAMILY FESTIVAL

You’re invited to the Lawrence Hall of Science Build It festival! Channel your inner architect and engineer and practice your design, problem-solving, and spatial skills by constructing everything from tessellations to bridges! We’ll bring the materials, you bring the creativity! Museum admission and 3D movie experience also included.

Please Note: Price includes admission to the museum and a 3D movie showing. LHS patch provided.

CRAFTAPALOOZA

Girl Scouts, family, friends, and fans—join us the first weekend of December for Craftapalooza (previously known as Winterfest)! This one day only youth craft fair is like Pinterest come to life with over 180 shopping and activity booths! Play games, create your own take-home crafts, and shop for handmade holiday gifts all under one roof!

Please Note: The badges each level can earn at the event: Clover and Tula for Daisies, Bugs and Inventor for Brownies, Entertainment Technology and Flowers for Juniors, Outdoor Art Apprentice and Engineering in Action for Cadettes. Badges not included, but will be sold on site.
**DESTINATIONS FALL SHOWCASE**

Discover the adventure and wonder of travel from girls who have participated in destinations both local and exotic! You will learn about the travel opportunities available to you as a Girl Scout, get insider tips on how to help fund your travels and more! It’s time to discover where in the world Girl Scouts can take you next.

**Please Note:** destinations travel starts at 11 years old.

---

**FAMILY ADVENTURE DAY**

Round up the whole family for a day of camp adventures. Test your courage on the high ropes course, your precision on the archery range, and your s’more making skills around the campfire. Best part? You’ll do it all together!

**Please Note:** All participants must be in 4th grade or above, no younger children may tag along.

---

**GIRL SCOUT DAY AT STANFORD**

Expose your troops to incredible Stanford student-athlete role models and enjoy some of the best collegiate competition at Girl Scout Day on The Farm. Join us when Stanford Football takes on Bay Area rival Cal and enjoy all the associated festivities, including an exclusive Girl Scout-only pregame student-athlete panel and a commemorative patch. Be on the lookout for a Stanford Women’s Basketball game later in the school year! For more information, visit www.gostanford.com/GIRLSCOUT.

**Please Note:** Commemorative patch included.

---

**GOLDEN GATE PARK SECRET ADVENTURE**

See if you can you find the secret clues hiding all over Golden Gate Park! Spend the afternoon as an urban detective testing out your investigative skills and problem-solving abilities! This is a perfect event for troops and families, with laughs and challenges to be had for all ages.

---

**INTRO PATCH DAY AT TURTLE BAY**

How much do you really know about the state you live in? At Turtle Bay Exploration Park, you’ll take a self-guided tour and learn about the environment and indigenous people of Northern California. Walking through historic recreations and experimenting with old-fashioned scientific equipment are all part of the good times!

**Please Note:** Participation patch and park admission are included.

---

**PENGUINS+PAJAMAS SLEEPOVER AT CAL ACADEMY OF SCIENCES**

Experience your own night at the museum! Explore the exhibits after-hours as you discover the deepest depths of the oceans, travel to the tops of rainforests, blast off into outer space at your own private planetarium show, and then settle in for stories and a snack of milk and cookies.

**Please Note:** Girls must be accompanied by a chaperone who is 25 or older. One adult chaperone is required for every group of up to 5 children. Adults cannot attend unless there is a child in their party.

---

**RED CARPET FILM EVENT**

Calling all Girl Scout entertainment moguls! This is your chance to produce, direct, and star in your own movie masterpiece. Then indulge in the VIP lifestyle as you ride a limo to the theater where paparazzi and fans are all waiting to see you and your film. And for the grand finale, you’ll accept your award in front of all your friends. Start planning now, this year’s theme is based around St Patrick’s Day: luck, green, rainbows, and gold!

**Please Note:** Video submissions due March 2, 2018. One submission per troop. Fees include participation patch, awards for each troop, and theatre food at event.

---

**SCHULZ MUSEUM: MUD PIES & JELLY BEANS**

What better way to get started on your Girl Scout Cooking badges than experimenting in the kitchen with a professional? Work with local culinary experts, learn about healthy eating, and make your own variety of snacks! Plus, you’ll complete your day with some ice skating at Snoopy’s Home Ice rink!

**Please Note:** Schulz Museum fun patch provided.

---

**SCHULZ MUSEUM: SNOOPY AND FRIENDS**

Spend the day with Snoopy and his live animal friends at the Schulz Museum! You’ll meet companion dogs, rescue dogs, and even some wild animals! You’ll also get the chance to build an animal home and make a toy for pets, all in support of the Girl Scout Animals badge. Daisies will start on their 3 Cheers for Animals Journey, Brownies will work on their Pets badge requirements, Juniors will work toward their Animal Habitats Badge, and Cadettes will work on their Animal Helpers Badge. Then round out the day with some ice skating spins at Snoopy’s Home Ice Rink!

**Please Note:** You must check in between 10-11AM. Schulz Museum fun patch provided.
THE NUTCRACKER WITH THE SAN JOSE DANCE THEATER

Celebrate 52 years of winter magic with the San Jose Dance Theatre's full-length live orchestra production of The Nutcracker, complete with sugar plum candy. And don't miss the 14th Annual Girl Scout Backstage Tour, led by Girl Scouts, alumnae, and volunteers, where you'll see all the props, costumes, and shoes up close and watch how the stage crew's skill and artistry make this show one for the ages!

Please Note: The Girl Scout behind the scenes workshop is between 35-45 minutes long. Guests will have a break before the curtain goes up at 2:00 PM for matinee performances and 7:30 PM for evening performances. Fun patch provided.

THRILLBUILDERS AT CALIFORNIA'S GREAT AMERICA

Thrill seekers! Come and experience the laws of physics in motion and see how math and science play into the amusement park excitement. Engineering students and professionals will assist youth teams in a human cardboard boat competition at Boomerang Bay!

Please Note: Participation patch and park admission are included.

TREES OF MYSTERY

Celebrate Earth Day at the spectacular Trees of Mystery in Klamath, CA! You'll take part in the Trees of Mystery Trail Exploration scavenger hunt, ride the gondola through the redwood tree canopy, and complete the Trees of Mystery patch program. You'll also have the opportunity to tour the Native American Museum and engage in Earth Day celebrations provided by the Soroptimists of Humboldt County.

TRICK-OR-TREAT AT CALIFORNIA'S GREAT AMERICA

Buckle up for a day of family fun at Great America! You'll join Snoopy and the gang for a family-friendly Halloween adventure. Join the costume parade, go on a scavenger hunt, and create some scary arts and crafts! Not to mention the full park pass that's included with this event!

Please Note: Participation patch and park admission are included.

USS HORNET NIGHT OPS STEM OVERNIGHTER

There's a WWII engineering marvel right here in Alameda! Climb aboard the USS Hornet and spend the night exploring the retired aircraft carrier. There'll be science stations and demonstrations from the Hornet's STEM Team to illustrate the science and mechanics that go into the ship!

Please Note: Price includes dinner and breakfast in the crew's mess hall and sleeping in restored berthing compartments.

RISK-TAKER

ADULT EXPERIENCES

Opportunities for parents, leaders, and other volunteers to share and learn as they support girls

⭐ CRAFTAPALOOZA BOOTH ORIENTATION WEBINAR

First time at the craft fair? Never fear, our webinar is here! We'll provide you with the tips and tricks to successfully prepare for this event. From product development to marketing know-how, you'll learn all that you need to know to help your troop sell their handmade products!

Please Note: This is an additional resource, but is not required to sign up for a Craftapalooza Sales Booth.

⭐ DISCOVEREE

Ready to spice up your Girl Scout leadership? Join us at Discoveree—a one-day event focused on how you can help your girls thrive. You'll meet other Girl Scout leaders and enthusiasts, and together, learn engaging new crafts, outdoor skills, positive youth development techniques, and everything in between!

⭐ FALL FESTIVAL

Adults, are you ready to feel like a Girl Scout again? At Fall Festival, you’ll dig into new crafts, games, songs, and skills! You can even earn your certifications in troop camping, first aid, and extended travel. Come for just the day, or channel your inner camper and spend the night after some good old-fashioned campfire merriment. You’ll have a blast and a brand new arsenal of activities to take back to your troop—a Girl Scout win-win!

Please Note: Participation patch included.

⭐ GIRL SCOUTING MADE EASY

Are you new to Girl Scout leadership? Not a problem! This workshop will teach you everything you need to know about running meetings, planning activities, and all the other ins- and-outs of leading a troop!

Please Note: Adults need to be leaders of Daisy or Brownie troop.

⭐ HOT TAMALE

It’s tamale time! Troop leaders and parents, learn to make fresh masa and tamales while exploring the history and traditions of this special dish. Best of all, this is the perfect space for sharing ideas around inclusivity and making all Girl Scouts feel welcome. You’ll taste and take home delicious tamales and walk away with a recipe you can lead with your girls.

⭐ TROOP CAMPING CERTIFICATION

Is your troop ready to hit the outdoors? If they're itching for a camping trip, then this is the class for you. You'll come away with new outdoor skills, strategies for staying organized and safe, and peace of mind knowing that your girls are in skilled, capable hands.

Please Note: This course is required of at least one adult before taking your troop camping.
Teen Mentors are Running the Show!

Cadettes, Seniors, and Ambassadors—you have the opportunity to mentor younger Girl Scouts. What’s in it for you?

• Gain experience by sharing skills you’ve learned
• Put your knowledge to work
• Try on team and leadership roles to discover your best self

Leadership in Action and Program Aide Awards (6th–8th grade)
Help younger Girl Scouts by sharing your skills, passion, and experience! Program Aide Training is available in your community.

Counselor-In-Training, CIT2, and Wrangler-In-Training (9th grade & up)
Mentor younger girls in a camp setting as you build skills toward becoming an awesome camp counselor.

Volunteer in Training (9th grade & up)
Mentor a Girl Scout Daisy, Brownie, Junior, or Cadette group outside of a camp setting. Take a troop or group of younger girls through a Journey or Take Action project using your passion and expertise.

To learn more about mentoring, please visit www.gsnorcal.org
Girls are Go-Getters, Innovators, Risk-takers, and Leaders!

The Girl Scout Gold, Silver, and Bronze Awards are amazing opportunities for girls to put their ideas to work. Not only do they hone their skills while working on Girl Scouts highest honors, the awards experiences open doors to internships, partnerships, schools, and more. The possibilities are endless. See what other girls have already done...  

Bronze Award (4th–5th grade)

**Big Problem:** The local community is dark with few streetlights to illuminate pedestrians, making it dangerous for drivers and people walking after dark.

**Big Idea:** Create higher visibility of pedestrians at night.

Through a product design process and prototype testing, Junior Girl Scouts created a “Safe-T-Bow”, a reflective clip on bow; and a “Flash Band”, a reflective arm or leg band. Both designs created high visibility as they reflected car headlights. They hosted a booth at a local festival to educate people on how to walk more safely at night and handed out Safe-T-Bows and Flash Bands to residents.

**Big result:** Pedestrians are safer and easier to spot.

Silver Award (6th–8th grade)

**Big Problem:** Over 500,000,000 plastic straws are used in the United States each day. These are one-use items that are thrown away and become plastic pollution.

**Big Idea:** Convince local restaurants to only give out straws upon request.

Plastic is in every part of the ocean, threatening marine wildlife and our own health. Disposable plastic straws and stirrers are among the top 10 marine plastic debris found during coastal clean ups. Cadette Girl Scouts took action to reduce the plastic straw pollution in our environment. By creating a campaign presentation and taking it to local restaurant owners, the Cadettes were able to convince four restaurants to change their policies.

**Big Result:** Reduced amount of plastic straws thrown away in their local community that would eventually end up in the water systems.

Gold Award (9th–12th grade)

**Big Problem:** California was going through an exceptional drought and even as it recovers, it will eventually go into drought again. When in a drought situation, water conservation and protecting the aquifers is key to survival.

**Big Idea:** Create a simple, inexpensive, and replicable water monitor device for farmers and gardeners to adequately water crops and conserve water.

California farmers produce two-thirds of the country’s fruits and nuts and over a third of the country’s vegetables. Their success and survival during drought conditions is essential to the US market. As the conditions in California progressed over the years from abnormally dry to exceptional drought, existing water sources were taxed and vital aquifers were tapped. An Ambassador Girl Scout took action by developing an inexpensive water sensor. This sensor, which is placed in the soil, connects to a reader which tells the farmers exactly how much moisture is in the soil and helps decide how much water should be given to the crops. She applied for a patent that would allow anyone to use her device but not allow anyone to market and sell it. This would make it possible for farmers anywhere facing drought conditions to easily produce and use the water sensor to conserve water.

**Big Result:** The water sensor was successful in reducing water consumption by 25% in farms where they were used. The sensor was introduced to the world on the global platform of Oracle Open World Tech Summit.

Girls are Go-Getters, Innovators, Risk-takers, and Leaders!

Confident. Knows how to get the job done. Responsible. Committed to making the world a better place. Empathetic. Advocate. Empowers others.
