The Girl Scout Law. It’s short, it’s simple, but it represents something greater than ourselves. These words are a way of life and are at the core of all alumni. Through every meeting, every badge, every service project - the words of this Law underscore it all. Using it as a guide, it can create humans who effectively change the world while being a cause for good. Challenge them during this Summer of Sisterhood to practice the values these words invoke. Together, sisters in stride, they will achieve greatness.
