

Summer. One word that invokes joy in girl scouts while striking fear into the hearts of caretakers. No school, minimal distractions and the allure of screens. Well, fear not! We've tailored a list of challenges that focuses on the core pillars of the Girl Scouts mission. Strive to complete 3 from each of these categories and use the entire Summer of Sisterhood to check them off the list. Watch them have fun while building life skills and keeping busy for hours on end. Complete 18 activities on this list and get your fun patch to commemorate your successful season!

Available for purchase @ www.girlscoutshop.com/northern-california-council and now via curbside pickup.
