BECOME THE BEST TROOP YOU CAN BE!

The new Girl Scout Playbook is your personal roadmap to success in Girl Scouting. Designed for new and veteran troop leaders of all Girl Scout levels, the Girl Scout Playbook guides you through planning your best troop year ever. It collects all the essential resources in one convenient place, and provides you with all the information, helpful recommendations, and tips you need to plan activities that are right for your girls and troop. The Girl Scout Playbook will help you build the sisterhood, relationships with supportive adults, and special experiences that are at the heart of Girl Scouts.

TEAM UP WITH THE VLP + VTK

The new and improved Volunteer Toolkit (VTK) makes managing your troop easier than ever!

With exclusive badge information, resources for planning meetings and completing badges, and tools that let you email families, track attendance, and more, your troop will be ready to rock and roll, no matter their level.

Symbol: The A symbol appears when adults can expect that the program will actively engage them. If a program does not have an Adult symbol, unless otherwise noted, girls still require a chaperone, but you can expect your role to be just that.

We have expanded our symbols to include those that help you identify the program content. Our national content of Entrepreneurship, Life Skills, Outdoors, and STEM is supported and supplemented by Girl Scouts’ long history of Service as well as FUN!
ADVENTURE & LEARNING ARE ON THE HORIZON

Looking to venture into the great outdoors, or committed to serving your community? Hoping to travel the state (or country, or world!), explore science, technology, and engineering, or hone your entrepreneurial instincts? Girl Scouts has it all covered, providing you with well-rounded programming that delivers the essential Girl Scout experience. So start planning your year—who knows what adventures are on the horizon?

HOW TO USE THE GUIDE

To get the most out of the Guide, use it alongside the online Activity Finder, which allows you to search for information and events using specific interests or locations. It’s easy to register for events online, access FAQs, and find detailed registration policies.

FOR GIRLS

Sit down and take a look at all the descriptions of the experiences. Find the ones that are most exciting to you and talk with your troop, troop leader, and parent/guardian about new adventures and skills you’d like to explore.

FOR PARENTS

Girl Scouts of Northern California has plenty of adventures that are perfect for the whole household. You’ll find everything from family explorations to skills that will set your girl up for success. Scroll through the programs to get more acquainted with what GSNorCal has to offer your girl and your family.

FOR TROOP LEADERS & OTHER VOLUNTEERS

Council-led programs are a fantastic resource to deepen the experiences of girls over the course of your Girl Scout year. There are plenty of badge- and Journey-based adventures, as well as programs related to service and having fun with a purpose. Share it with your group of girls to find out what their interests are for the year, and settle on a few outings that complement your troop goals. Are they excited about more experiences than you can cover in just your regular troop meetings? Check in with parents to see if the troop can support the added experiences. Don't forget to keep an eye out for trainings and workshops throughout the year!

STAY TUNED

Throughout the year we introduce new programs as opportunities arise, so stay up-to-date with the Activity Finder and watch for program details via email and social media. Be on the lookout for big events that give girls opportunities to travel and meet other Girl Scouts from all over Northern California!

The Essential Girl Scout Experience

From the youngest Daisy to the most accomplished Ambassador Girl Scout, all Girl Scouting is united around the same experiences. Rooted in best practices for positive youth development, and focused on the benefits girls of all ages receive through Girl Scouts, the Essential Girl Scout Experience is your roadmap to Girl Scout success.

Through the Essential Girl Scout Experience, all girls follow a path of sisterhood, receive mentoring from supportive adults, and explore who they are through special experiences.
SISTERHOOD
Flourish in an all-girl, girl-led space where she can gain confidence and build healthy relationships with her Girl Scout sisters.

SUPPORTIVE ADULTS
Adult volunteers provide a consistent supportive presence in a girl’s life over time, making her feel valued and providing guidance and mentorship.

SPECIAL EXPERIENCES
The special experiences she’ll have in Girl Scouts will expand her horizons, connect her to uniquely Girl Scout traditions, and help her discover who she is and who she wants to be.

SIX TROOP FUNDAMENTALS
Sisterhood, supportive adults, and special experiences happen through the six Troop Fundamentals.

Engaging your troop in these six areas will introduce them to a variety of activities, experiences, and opportunities that will build new skills, strengthen their relationships, and challenge them to grow. Use the new Girl Scout Playbook at www.gsnorcal.org/playbook to help you plan your year and support your girls while they earn badges, complete a Journey, and try something new in each of the five other fundamentals:

BADGES, JOURNEYS, AND AWARDS
Level up the skills your girls love, try exciting activities for the first time, or team up with your troop to solve a problem in your community! From robotics to first aid, outdoor survival training to a Take Action project, girls will explore their world, build skills, and improve their community.

OUTDOOR ADVENTURE
Since 1912, Girl Scouts has been introducing young women to the wonders of the great outdoors. Get outside with your troop as often as possible, whether it’s exploring your local park or neighborhood green space, taking your first hike, going camping, or bigger adventures like backpacking or zip-lining! They’ll learn useful skills, self-reliance, and teamwork as they enjoy the sunshine and learn to treasure the planet we call home.

SPECIAL EVENTS
Whether your troop attends her local service unit scavenger hunt or learns to build robots through a GSNorCal program, each Girl Scout will make memories she’ll never forget. Special experiences expand her horizons, challenge her conceptions, and introduce her to ideas, goals, careers, and adventures she might have never otherwise experienced! Girl Scouts even travel the world, from beach adventures and space camp to working with giant pandas in China or surfing the tropical waters of Costa Rica!

PRODUCT PROGRAM
The Girl Scout Product Programs are the largest entrepreneurial leadership programs for girls in the world, encouraging financial literacy, goal setting, and ethical decision-making. Whether it’s building her online business from the ground up in the Cookie Program or taking action through the Fall Product Program, girls use the funds they earn for service products, camping, travel, and more.

COMMUNITY SERVICE
Girl Scouts serve their community, abiding by the Girl Scout Promise and Law. From Take Action projects and Bronze, Silver, and Gold Awards to food drives and beach clean-ups, making community service a core part of your troop experience will teach girls to see with open eyes, fight for what they believe in, and commit to changing the world for the better.

GIRL SCOUT TRADITIONS
Flag ceremonies, uniforms, camp songs, SWAPS (Special Whatchamacallits Affectionately Pinned Somewhere), bridging, and s’mores—Girl Scout traditions connect girls around the country and the world! As she learns about the history and tradition of Girl Scouts, she’ll learn to lean on her community of sisters for support as she grows, becoming a better person because of her enthusiastic and diverse community of Girl Scouts.
Our retail stores have the expertise to answer your Girl Scout questions. We carry uniforms, program requirement materials, badges, and fun items to show off your Girl Scout spirit! Use Fall Product and Cookie reward cards to get your favorite Girl Scout gear, in-store only.

THE SYMBOLS OF GIRL SCOUTS

The uniform is an essential element of the Girl Scout experience, and a beautiful record of her time in Girl Scouts.

From the Daisy smock to the Ambassador sash or vest, girls get to wear their accomplishments with pride and let their strengths shine.

GIRL SCOUT TRADITIONS ▶ Dating back to the founding of Girl Scouts, the uniform helped girls build sisterhood and community. We still have some of the same patches and awards as used at our founding, like Troop Crests and Brownie Wings!

OUTDOOR ADVENTURE ▶ Girl Scouts are outdoorswomen, so it makes sense that so many of our badges help you get outside! It’ll be a cinch to earn badges like the Trail Adventure and Hiker badges, advance to badges like Trailblazing or Night Owl, and achieve awards like the Counselor-in-Training and Program Aide pins.

PRODUCT PROGRAM ▶ These awards focus on setting goals, decision-making, money management, and people skills—everything a young entrepreneur needs. These awards don’t just show off her business acumen—they’re proof that she can help fund her own Girl Scout experience. Brand new for 2020 is our Cookie Entrepreneur Family pin!

COMMUNITY SERVICE ▶ Community service doesn’t just transform her community—it transforms her Girl Scout spirit. These awards commemorate the way she’s changed the world around her, from local efforts to national action.

BADGES, JOURNEYS, AND AWARDS ▶ At the heart of your troop experience, these awards show all the things you’ve learned and accomplished in Girl Scouts. Badges for skill development and exploring interests, Journeys for leadership growth and problem solving, and finally our prestigious higher awards (Girl Scout Bronze, Silver, and Gold awards) for big ideas and bigger effort.

SPECIAL EVENTS ▶ Special events might not have an official badge, but they’re a vital part of what makes her Girl Scout experience great! The back of her uniform is fully dedicated to keeping these memories alive, and it’ll be covered in fun patches and participation patches from her adventures before you know it.
Awards and Mentoring

Calling all Cadettes, Seniors, and Ambassadors!

Ever wanted to be a big sister to other Girl Scouts, or been excited to pass on your awesome Girl Scouting skills to younger girls? Girl Scouts has so many opportunities to be a mentor, a leader, and a voice for change:

BE A MENTOR

LEADER IN ACTION (LIA)
Cadettes share skills and test their knowledge by assisting a Brownie group on any of their National Leadership Journeys. There are three different LiA awards, one for each of the Journey series: It's Your World–Change It!, It's Your Planet–Love It!, and It's Your Story–Tell It!

PROGRAM AID
Enhance your mentorship skills by working with younger girls over six activity sessions. This might involve assisting girls on Journey activities, badge activities, or other sessions. You might work with a group, at their meetings, at a day camp, or during a special council event.

SUMMER CAMP LEADERSHIP
High school-aged Girl Scouts who are experienced campers are invited to become a Counselor-in-Training (C.I.T. I/II/III) or Wrangler-in-Training (W.I.T. I/II). These teen leadership experiences are a unique way for girls to combine their love for the outdoors with their leadership goals!

VOLUNTEER IN TRAINING
Seniors and Ambassadors mentor a Daisy, Brownie, Junior, or Cadette troop or group as they complete a Journey or Take Action project over a three to six month period. Using your passion and expertise you'll foster your own leadership skills as you help your group discover their own skills and interests. Find out more about the VIT requirements in the Girl's Guide to Girl Scouting.
**Awards and Mentoring**

**AWARDS AND MENTORING • 13**

**GOLD AWARD**
The highest award in Girl Scouting, the Gold Award is available to 9th–12th graders, or Seniors and Ambassadors. The Gold Award is as prestigious as other high awards in scouting, and has incredible benefits for girls as they enter college, the military, and the workforce.

**ROBOTICS TEAM**
The Space Cookies robotics teams include girls from across the Bay Area in partnership with the NASA Ames Research Center and Girl Scouts of Northern California. Girls, with guidance from mentors, design, build, and program innovative robots and compete in a variety of events. In addition to learning valuable engineering skills, students gain life skills such as teamwork, perseverance, communication, collaboration, project management, and critical thinking.

**TEENS TAKE OVER**
Girls know what they want and step up to take charge! With supportive adults and friends by your side, you’ll develop and use skills that will dazzle your fellow Girl Scouts by directing an event or running a workshop. Collective brainpower shines at monthly meetings where you will work with girls from across the council to strategize, organize, and coordinate, to bring your program vision to life.

**LEAD THE WAY!**
There is a bright future right in front of you—reach for it at Lead the Way! At this weekend-long conference, you will join fellow Senior and Ambassador girl change-makers and inspirational adults to boost your confidence and focus on your future. Days will be packed with college prep, career thinking, life skills, and new friendships—everything you need to pave your own unique way through the world! And, in true girl-led Girl Scout spirit, Seniors and Ambassadors can join the Lead the Way Planning Committee. Embrace your inner event planner and join the girl-led planning committee for the 2020 Lead the Way conference.

**THE TORCH AWARD**
The Torch Award recognizes Cadettes, Seniors, and Ambassadors who act as leaders in their communities. In order to earn a Torch Award, an older Girl Scout must complete one Leadership Journey, and serve a full term in a leadership position at her school, place of worship, library, community center, or a similar organization important to her.

**BE A VOICE FOR CHANGE**

**GIRL BOARD PARTICIPANTS**
Each year, Girl Scouts of Northern California appoints two girls to serve on our Board of Directors. For girls currently in grades 9–11, this is an excellent opportunity to take part in council governance, advocate for their peers, and see first-hand how an organization is run.

**DELEGATES**
Delegate governance is a key part of Girl Scouts of Northern California’s strategy as we strive to honor the voice of our membership. GSNorCal girls age 14 and older have the opportunity to represent their Council regionally and nationally—learn more about our Delegate governance and how you can get involved today!

**HIGHEST AWARDS**

**BRONZE AWARD**
Available to 4th and 5th graders, this is the first higher award a Girl Scout can earn at Junior level.

**SILVER AWARD**
Available to 6th–8th graders, this higher award is for the Cadette level.

**GOLD AWARD**
The highest award in Girl Scouting, the Gold Award is available to 9th–12th graders, or Seniors and Ambassadors. The Gold Award is as prestigious as other high awards in scouting, and has incredible benefits for girls as they enter college, the military, and the workforce.

Visit www.gsnorcal.org to learn more about all of these opportunities!
THE BENEFITS OF GOING GOLD

HIGHER EDUCATION AND CAREER
▶ Distinguish yourself in the college admissions process
▶ Earn college scholarships
▶ Enter the military one rank higher

LIFE SKILLS
▶ Be seen as a role model and distinguished leader
▶ Master time management skills
▶ Make the world a better place

COMMUNITY
▶ Use your vision for change
▶ Tackle an issue, locally or globally
▶ Establish a lifetime network
▶ Create your community legacy with a sustainable solution to a problem

GOLD AWARD GIRL SCOUTS

Here are some projects girls have taken on for their Gold Awards in recent years:

ISSUE ▶ Farmers need to conserve water during droughts while also sustaining their businesses.

Solution ▶ A Girl Scout Ambassador from Northern California developed soil moisture sensors and readers to help farmers conserve water and use less groundwater. The sensors are planted into the soil; they allow farmers to read and determine the moisture level in the soil. Based on this technology, farmers on average saved 25 percent of their monthly water use. She’s in the process of patenting her product and has created a Facebook site and video log to show others how they could replicate it globally.

Sustainability ▶ Make your solution sustainable.

ISSUE ▶ More girls could have fun and stay fit if they knew how to kayak (or canoe, hike, bike, backpack—pick your favorite sport!)

Solution ▶ Create a one-day event to give girls a chance to try the outdoor activity you love the most. Partner with a local business or outfitter to get equipment and instructors to help. Create a playbook so that others can replicate your event’s success in the future.

Sustainability ▶ Educate and inspire others.

ISSUE ▶ A high school sophomore in Virginia sometimes felt uneasy on the 20-minute walk from where the school bus drop-off to her home, especially during dark winter afternoons.

Solution ▶ She created an app called Safe Travel to help people feel safer when traveling alone. Users can program the app to send an alert to someone they trust if they don’t arrive at their destination by a certain time.

Sustainability ▶ Make your solution permanent.

LESSONS THAT LAST A LIFETIME

We are so excited to celebrate our entrepreneurship programming as the key to powering all the amazing Girl Scout opportunities in this Guide! From Art-chery to robotics teams to traveling to the Galapagos or Australia, girls experience financial empowerment by engaging in the World’s Largest Girl-Led Entrepreneurial Program in the World.

While focusing on decision making, goal setting, financial literacy, business ethics and people skills, girls learn the importance of how a logo makes customers feel, how cookies are developed from an idea on paper to arriving packaged and how to make their business stand out from thousands of other online businesses. Over 5000 of our incredible volunteers annually invest over $4 million dollars’ worth of volunteer hours to support our girls’ businesses.

CONGRATULATIONS TO OUR 2019 COOKIE PROGRAM
1000+ PACKAGE ENTREPRENEURS!

Camp Fashionista: Design It Right

This program is tote-ally awesome! Girls will take on the role of a tote bag product designer. Design partners will identify issues with their favorite tote bags, then girls will collaborate to find solutions for designing and creating a flawless tote masterpiece! Girls will leave the class with a well-designed tote bag they made themselves!

Please Note: Juniors will complete all steps of the Product Designer badge. Fun patch included.

Craftapalooza Booth Orientation Webinar

First time at the craft fair? Never fear, our informative webinar is here! We’ll give you all the tips and tricks to set you up for Craftapalooza success. From product development to marketing know-how, you’ll learn all you need to know to help your troop sell their handmade creations!

Please Note: This is an additional resource, but is not required to sign up for a Craftapalooza Sales Booth

Craftapalooza Sales Booth

Sharpen your business skills by selling your handmade items at Craftapalooza! You and your girls will host a free badge activity booth at the badge Expo, earn hours toward her Service to Girl Scouting Bar, and collect extra troop cash for activities. Register soon to start showing off your craftiness and practicing your sales pitch!

Please Note: Each troop must register their booth and have plans approved through the online registration system before 11/8/18.
**Digital Cookie Day**

Launch your 2020 Cookie Program! Design your Digital Cookie site, upload your customer emails, take a virtual bakery tour, record your Perfect Pitch, and put on your chef’s hat to create your own cookie. Plus, you’ll get to taste-test the new 2020 lemon cookie! Drop in to your regional office between 10AM–2PM. There's no registration required and all Girl Scouts and their families are welcome.

**Please Note:** The event is free, no registration necessary.

**Disney Museum: Imagineering**

Watch her imagineer her way through the majority of her Inventor Badge at the Walt Disney Family Museum! In the galleries, she'll learn about the Imagineers who invented some of Disney’s most iconic attractions. Then, head to the learning center, where she’ll do some imagineering of her own, and collaborate to design a solution to a problem.

**Please Note:** Girls will completes Steps 1, 4 and 5 of the Inventor badge.

**Fall Digital Day**

*In my years as a Girl Scout, I have been inspired by everything around me. All of the stories in the news about girls like me finding new strategies of selling cookies had me trying to keep up with everything that was happening. I have also had so many opportunities that I never could have had without Girl Scouts. I have paid for an entire week at horse camp through Girl Scout cookie rewards for the last eight years, gone to Disneyland, swam with dolphins, and so much more because I have sold as many cookies as I have. I have even had people offer me jobs in a few years. I have been in the top 10 cookie sellers in the Bay Area a couple of times, but to now be the top in Northern California is a dream, especially since I have worked so hard to get here.*

**GS Exec Connect Q&A Panel - Entrepreneurship**

Have you ever stopped and thought, "Networking with corporate CEOs at a Fortune 500 company is not for me, but I still want to learn how to succeed in business?" At the GS Exec Connect Q&A Panel - Entrepreneurship, you will have a chance to listen and learn from women who have started their own businesses and ask questions like, what challenges did you face? What first steps did you take? What surprises came up? What is it like to be your own boss? And more!

**Heartshare: Launch Your Babysitting Business!**

Get ready to launch your own babysitting business! This Child and Babysitting Safety (CABS) course will teach you all the skills and techniques to become an even better babysitter—parent interaction, safety, diapering, and more. By the end of the day, you’ll be a world-class babysitter!

**Please Note:** The Babysitting Certification class fulfills Step 1 and Step 2 of the Cadette Babysitter badge and Step 1 of the Cadette First Aid badge.

Angel Island Adventure

See the Bay Area from a whole new perspective with this overnight at Angel Island State Park just for older girls who are interested in photography and nature. Girls will hike into a group campsite on Angel Island, where they'll fall asleep to the sounds of the ocean and wake up to the beauty of nature. They'll earn steps towards new High Adventure badges in partnership with the North Face, and will scour the island in the morning as they complete a scavenger hunt based in photography.

Please Note: Cadettes will earn Steps 1 and 2 of Outdoor Art Apprentice badge and will earn several steps of the new backpacking badge created in partnership with The North Face. Badge details will be released later this summer.

Girls need to provide their own backpacking gear including tents and packs. The Program Manager will support those who need help locating and renting gear.

Archery Level 1 Certification Class

Become a USA Level 1 Archery facilitator with this course. Book and test included. Certification is based upon passing the test.

Art-Chery

Creativity is the aim of this archery art-venture! You'll learn the basics of archery as we aim at paint-filled balloons to create splatter art. Safety will be emphasized, along with an archery lesson prior to our artistic aims.

Please Note: Cadettes will complete the Cadette Archery badge. Badges provided at the end of program.

Backpacking Stanislaus National Forest

Calling all adventurers! Spend Friday night at the Santa Rosa Council Office learning how to pack efficiently for backpacking, use a compass, and plan a menu. Then we will go on an overnight sleep-out & hike through the Stanislaus National Forest.

Please Note: Cadettes will earn all steps of their Camper badge, Seniors will complete all steps of their Adventure Camper badge, and Ambassadors will complete all steps of the Survival Camper badge. Badges included.
Boo-thin Spooktacular

Ready to ‘creep’ it real? Join us at Camp Bothin for a Halloween-themed overnight. Wear your Halloween costumes, solve our escape room, sing camp songs, carve a jack-o-lantern, and roast smores around a flickering campfire during this scary-fun weekend!

Bothin Bridging Bash: Brownies!

Congratulations Brownies on being ready to bridge to Juniors! Join us for your bridging ceremony under the beautiful trees and bright stars at Camp Bothin. A flurry of activities and adventures await once you take the first of many steps toward earning Junior badges. The evening will be filled with songs and skits around the campfire. In the morning, older Girl Scouts will be there to welcome you over the bridge!

Please Note: Maximum of one adult per participant. Participants must attend the entire weekend, as leaving early or arriving late disrupts the program.

Bothin Bridging Bash: Buddies!

Calling all older Girl Scouts! Spend a weekend at Camp Bothin and put your leadership skills to work! You’ll help make the Bothin Bridging Bash a success by planning and leading two evening campfires and facilitating a younger girl activity. And don’t worry, there will still be plenty of time to relax, play games, and hang out under the trees with friends new and old.

Please Note: Girls will work on their Leadership in Action (LiA) award.

Bothin Bridging Bash: Daisies!

Congratulations Daisies on being ready to bridge to Brownies! Join us for your bridging ceremony under the beautiful trees and bright stars at Camp Bothin. A flurry of activities and adventures await once you take the first of many steps toward earning Brownie badges. The evening will be filled with songs and skits around the campfire. In the morning, older Girl Scouts will be there to welcome you over the bridge!

Please Note: Maximum of one adult per participant. Participants must attend the entire weekend, as leaving early or arriving late disrupts the program.

Build-A-Bear-Bed!

Brownies improve their lashing skills by building a small tree bed for their favorite soft toy. Beginning lashing will be taught and reviewed so every girl can get to crafting. Of course, your small stuffed animal is invited too!

Call of the Sea: Oceanographer

Climb aboard the Seaward with your troop and become oceanographers for the day! You’ll learn the basics of sailing while studying the ecology of the San Francisco Bay. Conduct water quality tests, catch plankton, and learn about the watershed of the Bay Area. This bay exploration is a fantastic chance for Girl Scouts to expand upon their Trailblazer badge.

Please Note: Girls will complete Steps 2 and 4 of the Trailblazer badge.

Call of the Sea: Sailing Investigation

All aboard the Seaward! You and your troop can master the basics of sailing while learning about the ecology of the San Francisco Bay. You’ll conduct water tests, catch plankton, and earn part of your Animal Habitats badge, all while cruising on the open water.

Please Note: Girls will complete Steps 1 and 2 of the Animal Habitats badge.

★ Camp Boss

Level up your boss skills at camp! This one day conference will give summer camp volunteers the opportunity to network, learn, and share through a series of workshops, presentations, and small group discussions. This event is open to volunteer-run camp Directors, Administrators, and anyone who helps plan summer camp.

Camp Bothin Adventure Weekend

Older girls, get ready for a weekend of adventure! Climb to new heights on the ropes course, practice your precision on the archery range, and host a campfire complete with skits and songs. This is a weekend you won’t want to miss!

Please Note: Fun Patch included. Cadettes complete Steps 3, 4, and 5 of the Primitive Camper badge. Seniors complete Steps 3, 4 and 5 of the Adventure Camper badge. Ambassadors complete steps 3 and 4 of the Survival Camper badge.
Camp Info Night: Webinar

Wondering what your girl will get out of camp with GSNorCal? Join us online for a camp information night, where caregivers, troop leaders, and girls can meet our camp leadership team, ask questions, learn more about registration and financial aid opportunities, and get all the information you need to join us for a memorable and fun-filled summer camp session! Each camp information night will include a 30-minute presentation about each of the 3 council-run camps—Bothin, Skylark Ranch, and Sugar Pine—and time for questions.

Camp Like a Girl

Camping and astronomy come together as older girls build and expand their outdoor skills. Games and contests rooted in Outdoor badges challenge girls to work together as a team of experts. After the sun sets, explore space science, build simple astronomy tools, and take a closer look at the night sky before settling in to sleep under the stars.

Please Note: Cadettes will complete the Primitive Camper and Night Owl badges. Seniors will complete Steps 1–4 of the Adventure Camper badge and Steps 1, 2, and 5 of the Sky badge.

Camp Work Party

Get your hands dirty and show your favorite camp some love! There’s no experience required, just a can-do attitude! From trail improvement and painting projects, to general camp upkeep, you’ll be responsible for making camp shine. Girls (Juniors and older), troops, families, friends, and adults are all welcome. Lunch is provided, and workers get free overnight camping if desired (just make sure to make prior arrangements with site manager/ranger). You’ll head home with a unique patch and the unbeatable feeling of making a difference!

Please Note: Work Party Patch is provided.

Children’s Fairyland: Fantasy Overnight

Brownies and Daisies, gather round for an overnight at the magical Children’s Fairyland in Oakland. Girls will dance the night away, step onstage for songs and skits, and create art projects that let them express their creativity. Girls will complete steps of the Brownie Dancer and Painter badges, along with the Daisy Outdoor Art Creator badge. Girls will have access to Fairyland’s petting zoo and other age-friendly rides and attractions. Come join the magic!

Please Note: Girls will complete Steps 1, 2, and 3 of the Brownie Dancer and Painter badges, as well as the Daisy Outdoor Art Creator badge. Price includes meals and park admission!

Backpacking trips with my fellow Girl Scout sisters are some of the best adventures that I have had the honor to embark on. Whether it is sleeping next to a breathtaking waterfall, going the wrong way at a trail junction, or simply hiking the beautiful California trails, having a cheerful sister alongside you makes the journey that much better. The community and bonds built on staying out in the middle of the woods alongside other nature-loving women, are truly irreplaceable and irreversible ones.

I was pushed by my mother, who also happens to be my troop leader, to go backpacking at a young age, and I am extremely glad that she did so. I made some of my closest friends via Girl Scout nature programs, and I wouldn’t have traded these experiences and friendships for anything. I highly urge younger girls to go out and experience our beautiful world the way that I did, they most definitely will not regret it.

Hear from girls who have participated in both local and far-flung Destinations trips, learn about the travel opportunities available to you as a Girl Scout, and get inside tips on how to fund your travels. It’s time to discover where in the world Girl Scouts can take you next!

Please Note: Destinations travel starts at 11 years old.
Traveling with my Girl Scout sisters through the Destinations program made it possible for me to do something more ambitious than I had ever done before. Last year I went on the Rock’n Country Wilderness Adventure trip to the Boundary Waters of Minnesota, where I went on a 12-day canoeing and portaging trip. During the trip I met girls from around the country. I learned that I was able to do a lot of things that I had no idea I was capable of doing such as traveling by myself, carrying a 16-foot canoe on my shoulders, and traveling 70 miles through the wilderness. Even though there were days that were hard, being with my sisters and having them give me encouragement and support was what made me realize I can do anything.

Journey Down Under - New Zealand and Australia

Far away on the other side of the globe, Australia and New Zealand boast astonishing wildlife, beautiful nature, and thriving cultures. Habitat for Humanity East Bay/Silicon Valley: Build a Playhouse

Ready to build skills while bringing joy to a family in the community? Construct a full-size playhouse with Habitat for Humanity East Bay/Silicon Valley! Along the way, learn STEM skills, construction techniques, tool safety, and teamwork. Teams of 8–12 girls will work together to assemble the walls, shingle the roof, and paint the playhouse with kid-friendly designs. Prepare for the build with STEM Playhouse Manual activities. Come in your paint clothes, ready to build and have some community-supporting fun!

Please Note: Includes a fun patch. Wear work/paint clothes and closed-toe shoes. Register in groups of 8–12 to work on a playhouse together, or be placed with other troops on a playhouse. Girl registrations cover a portion of the playhouse material costs. Playhouses will be donated to a local family through Habitat for Humanity.
For my Gold Award Project, I funded a library, art center, and playground for two schools in Hyderabad, India. My Gold Award project inspired me to start my own nonprofit, Schools for Success, which encourages teenagers to help underprivileged schools around the world. Being a Girl Scout for over 11 years, I learned to be a leader, be courageous, be kind, and so many other invaluable traits; but most of all, Girl Scouts taught me to never give up. Throughout my life, I could always rely on my Girl Scout sisters and leaders for guidance and support. The Girl Scouts community has not only provided me with the resources for success, but has also helped me grow as an individual woman. Girl Scouts is honestly the place where every girl is given the opportunity to make a difference in the world. I am honored to be a part of a community, which strives to help women become leaders and allows them to overcome any challenge.

Girl Scouts, family, friends, and fans join us the first weekend of December for Craftapalooza! This one-day-only youth craft fair is “Pinterest come to life,” with over 180 shopping and activity booths! Create crafts to take home, play festive games, and shop for handmade holiday gifts. Craftapalooza is also providing service to the community through a giant food drive to collect non-perishable food for local food banks. Host your own food drive and drop it all off at the event, or bring a few cans yourself to mix Girl Scout service with holiday fun.

Please Note: The badges each level can earn at the event:
Daisies: Money Counts badge, Zinni petal; Brownies: Dancer badge, Letterboxer badge, Making Friends badge, Senses badge; Juniors: Detective badge, Drawing badge, Social Butterfly badge. Badges not included, but will be sold on site.

Disney Museum: Animation Domination

Connect with experts at the Walt Disney Family Museum to learn how Disney uses special effects to enhance animation and improve the Disney classics! In the learning center, explore depth perception in animation, and create her own stop-motion short film!

Please Note: Girls will complete 3 steps of Digital Movie Maker badge.

Disney Museum: Toon In - Illustrate and Create

Spend the day at the Walt Disney Family Museum and accomplish three of the five steps toward earning your Drawing badge. In the galleries, you’ll learn all about the complex drawing techniques used in the early animated Disney films. Next, visit the learning center and experiment with different materials to practice visual effects like stippling, cross-hatching, and smudging. You’ll create your own concept, backgrounds, and cartoon characters, and have a chance to showcase your work!

Please Note: Girls will complete 3 steps of Drawing badge.

Golden Gate Bridging

Golden Gate Bridging celebrates 5th grade Girl Scouts as they bridge from Juniors to Cadettes while they cross the iconic Golden Gate Bridge! Girls will end their trek at a huge party on Crissy Field to celebrate, where they will learn about older girl programming from over 50 vendors and can earn their first Cadette badge!

GS Exec Connect

Prosperity and networking go hand in hand, and Intuit and Girl Scouts of Northern California are committed to helping you make that connection happen. Come network with the folks that brought you TurboTax, QuickBooks, and Mint. GS Exec Connect is a great chance for you to get in on the ground level of learning how to ask the right question to the right person.

Heartshare: Older Girl CPR and First Aid Certification

In an emergency situation, be ready to leap into action! This course will teach you the best responses to life-threatening emergencies, including cardiac arrest and choking. You’ll also learn to recognize the warning signs of stroke and breathing difficulty. There’s nothing safer than being prepared!

Please Note: This class fulfills Step 2 and Step 5 of the Cadette First Aid badge.
Participants will receive an American Heart Association Heartsaver CPR First Aid Completion card and Book.

It’s a Money Thing

Check yourself before you wreck yourself with this interactive money management workshop. Girls grasp the importance of saving and budgeting from Sara O. Farner, a financial expert at Morgan Stanley. This workshop will give girls and their adults the confidence and habits to take control of their financial future.

Please Note: Girls will complete Steps 3, 4, and 5 of the Cadette Budgeting badge.
Lead the Way

There’s a bright future right in front of you—reach for it at Lead the Way! At this weekend conference, you’ll join fellow girl change-makers and inspirational adults to boost your confidence and focus on your future. Days will be packed with college prep, career thinking, life skills, and new friendships—everything you need to pave your own unique way through the world!

Lead the Way Planning Committee

Embrace your inner event planner and join the girl-led planning committee for the 2020 Lead The Way conference. Run the show by recruiting professional presenters, designing the theme and decorations, and orchestrating all the activities. And the best part? You’ll see your hard work in action when 160 girls join you for a weekend of dreaming big!

Please Note: Required Meeting Dates:  8/21/19, 9/25/19, 10/30/19, 11/19, 1/8/20, 1/22/20, 1/29/20, 2/12/20. Service to Girl Scouting bar is earned and provided.

New Museum: Sketch School

Flex your creative muscles at Sketch School! Experiment with charcoal, oil pastels, pencils, and even quill and bamboo pens, learn shading and perspective by sketching everyday objects, enhance your technique by studying classic examples of graphic art, and leave with a masterpiece of your own making!

Please Note: Girls will complete all the steps for the Junior Drawing badge.

Teens Take Over Chico

At Teens Take Over Chico, girls know what they want and step up to take charge! With supportive adults and friends by your side, you’ll direct a huge overnight event that will dazzle your fellow Girl Scouts. Pool your collective brain power at monthly meetings where you’ll strategize, organize, and bring your Mall Madness vision to life! This sleepover event at the Chico Mall is one to remember.

Please Note: Meeting Dates: 9/3/19, 10/1/19, 11/5/19, 12/3/19, 1/7/20, 2/4/20, 3/3/20, 4/7/20, 5/5/20. Service to Girl Scouting Bar is earned and provided.

New Museum: Color Your World

Join us for a day of experimentation in the Maker Space at the New Museum of Los Gatos. The museum staff will guide girls to express their thoughts, feelings, and ideas using only a paintbrush! This light and airy space provides the perfect backdrop for creativity.

Please Note: Girls will complete all steps for the Painting badge. Badge not provided.

New Museum: Letterboxer

There’s a letterbox hidden in the New Museum, and you’re going to find it! Learn letterboxing and stamp-making techniques, work together to solve a museum explorer worksheet, and get a list of clues leading to the hidden box!

Please Note: Girls will complete all the steps for the Letterboxing badge. Badge not included.

Teens Take Over San Bruno

At Teens Take Over San Bruno, girls know what they want and step up to take charge! With supportive adults and friends by your side, you’ll direct a huge event that will captivate your fellow Girl Scouts. Collective brain power shines at monthly meetings where you’ll strategize and organize Golden Gate Park Secret Adventure, our action-packed scavenger hunt for younger girls in Golden Gate Park.

Please Note: Meeting Dates: 9/19/19, 10/17/2019, 11/14/2019, 12/19/2019, 1/16/2020, 2/20/2020, 3/19/2020, 4/16/2020. Service to Girl Scouting Bar is earned and provided.
Teens Take Over San Jose

At Teens Take Over San Jose, girls know what they want and step up to take charge! With supportive adults and friends by your side, you’ll direct a festive holiday craft fair that will dazzle your fellow Girl Scouts. Collective brain power shines at monthly meetings where you’ll strategize, organize, and bring your Craftapalooza vision to life!

The Crucible: Glass Flameworking

Your next meeting will be fire with the art of glass flame-working! Learn to safely twist and shape molten borosilicate glass to make beautiful works of art. Play with heat and color and make yourself a one-of-a-kind trinket!

The Crucible: Jewelry Metalsmithing

Hard-core jewelry making and industrial arts are right around the corner! With help from experts at The Crucible, you’ll work with copper or bronze and learn to anneal, cut, drill, hammer, and texture a beautiful charm, pendant, key chain, or zipper pull that’s all your own!

Please Note: Girls will complete steps 4 and 5 of the Cadette Woodworker badge.

TriValley Ice: Broomballin’

Strap on those skates and hit the rink for some good old fashioned Broomball—an icy cross between curling, hockey, and soccer. Never played? Not a problem! You’ll learn basic skating skills and glide out of your comfort zone and into an exciting new sport. Get your troop out on the ice for this Broomball showdown.

Please Note: The games will be 6 vs 6, bring your whole troop or at least 6 girls for the best experience.

In my sisterhood, I am able to pursue my interest in mathematics and engineering in a supportive environment that embraces learning and allows mistakes. As a Space Cookie, I have the opportunity to learn from more experienced girls who encourage me to step out of my comfort zone. I’ve machined custom parts, used CAD (computer aided design) to create design prototypes, wired our robot, and competed against other teams. Having girls as role models has been awesome; their compassion and their welcoming, positive attitude have set an example I hope to emulate as a leader and sister to the other girls on my team. Because of my sisterhood, I have grown into a more courageous and confident Girl Scout!

ROHINI B. ▶ AMBASSADOR, PALO ALTO
Astronomy Club

Astronomy is absolutely stellar, but when you study the stars with other girls, it positively sparkles. Astronomy Club meetings offer opportunities to develop your skill and passion for astronomy, from enjoying night sky viewings and going on field trips to learning how to use an 8-inch Dobsonian telescope to chart the skies. Come prepared to share your ideas! Girls will collaborate on which topics to explore in depth, where to go on field trips, and much more!

Please Note: Eight Thursday evening meetings between September 2019 and May 2020: 9/26, 10/24, 11/21, 12/13, 1/23, 3/26, 4/23, 5/28. Possible additional special events, as determined by the club members! Patch, t-shirt, and snacks provided. T-shirt earned after attending any four meetings.

Bay Area Discovery Museum: Fling Flyers

Ready for take-off? Design the body and wings for your very own flying flyer, then see your ideas brought to life using high- and low-tech tools. Once the gliders are assembled, it’s time to take flight! Learn about the physics that affect gliders, and test variables to see how they impact the way your glider soars. You’ll earn your Mechanical Engineering Fling Flyer badge and get to take your creation to continue flying.

Please Note: Includes take home project and museum admission for the day. Girls earn their Brownie Mechanical Engineering Fling Flyer badge (not included.)

Bay Area Discovery Museum: Leap Bots

Ready to spring into action? In this adult and girl workshop, design a spring-powered creation using BADM’s engineering design process, Think, Make, Try. Use hand tools, power tools, and high-tech tools to design a laser cut creation, build a base, and test out different springs to determine how they affect the height of your creation’s jump. At the end of the workshop, you’ll have earned your Leap Bot Mechanical Engineering badge and take home your new springy creations.

Please Note: Includes take home project and museum admission for the day. Girls earn their Brownie Mechanical Engineering Leap Bot badge (not included.)

Bay Area Discovery Museum: Race Cars

Earn your mechanical engineering car badge with a high-tech twist! Learn about the physics that affect gravity racers before designing your custom car body. Send your design to be cut on the Fab Lab’s laser cutter, assemble your cardboard car, and bring it to the ramps to test. Experiment with adding weights or making changes to improve your car’s performance. Leave with your car and free admission to explore the Bay Area Discovery Museum for the day.

Please Note: Includes take home project and museum admission for the day. Girls earn their Daisy Model Car Mechanical Engineering badge or Brownie Race Car Design Challenge Engineering badge (not included.)
Cal Academy of Sciences: Penguins + Pajamas Sleepover

Experience a night at the museum! Explore the exhibits after-hours: discover the deepest depths of the oceans, travel to the tops of rainforests, and blast off into outer space at your own private planetarium show! Then settle in for stories and late-night milk and cookies.

Please Note: Girls must be accompanied by a chaperone who is 25 or older. One adult chaperone is required for every group of up to 5 children. Adults cannot attend unless there is a child in their party.

Chabot Space & Science Center: Space Science Badge Overnight for Daisies, Brownies, and Juniors

In this very special triple space science badge overnight, we will focus on highlights from the most popular Space Science Adventurer, Space Science Explorer, and Space Science Investigator badges for Daisies, Brownies and Juniors. Activities will revolve around the Sun, Moon, orbiting planets, and popular constellations. Make pocket solar systems, hike the distances between the planets, make models of the Moon, and create your own constellations.

Please Note: Daisies will complete the Space Science Explorer badge. Brownies will complete the Space Science Adventurer badge. Juniors will complete the Space Science Investigator badge. Dinner and breakfast included.

★ Chabot Space & Science Center: Space Science Expert and Master Overnight

As Space Science experts and masters, you will investigate some of the human technological adaptations which help us view objects in deep space such as telescopes, infrared readers, and special filters, allowing us to see even the faintest object in the sky. Learn how NASA uses false color imaging to make the invisible visible in order to learn more about celestial objects. We will show you how to contribute as citizen scientists to real research on the impacts of light pollution. Your finale will consist of creating visual representations of astronomy in the form of space art.

Please Note: Seniors will complete the Space Science Expert badge. Ambassadors will complete the Space Science Master badge. Dinner and breakfast included.

Chabot Space & Science Center: Space Science Explorer & Adventurer Overnight

Daisies and Brownies get ready to explore the Sun, the Moon, the Solar System, and the constellations. Make a paper model of the layers of the sun called a Sunion, and create wearable models of the solar system. Explore the mysterious regions of the Moon, and see the stars through your own constellation viewers. Complete the night with an exclusive visit to the telescopes where astronomers will help you to explore objects in the night sky.

Please Note: Daisies will complete the Space Science Explorer badge. Brownies will complete the Space Science Adventurer badge. Dinner and breakfast included.

Chabot Space & Science Center: Space Science Investigator Overnight

Earn your Space Science Investigator badge with a night of solar system discovery. Learn how to identify the planets, stars, and constellations. In your workshop, find out how solar systems are formed and how scientists use the transit method to detect distant objects like extra-solar planets. Create fun scale models of the planets and hike the distances between them.

Please Note: Girls will complete the Space Science Investigator badge. Dinner and breakfast included.

Chabot Space & Science Center: Space Science Researcher Overnight

Cadette researchers will spend an amazing night all about deciphering light from stars and other objects in the night sky. Use real scientific tools and instruments to reveal some of the hidden regions of the electromagnetic spectrum, such as infrared and ultraviolet light. We will demystify how different stars are classified as we work together to build a giant star classification diagram. Visit the observatories and telescopes to collect observations and lastly, contribute to citizen science research on light pollution.

Please Note: Girls will complete the Space Science Researcher badge. Dinner and breakfast included.

Children's Creativity Museum: Comic Artist Workshop

Enhance your storytelling and communication skills with graphic arts. Explore comics, choose a story, then use a combination of images and words to tell a compelling story. See how your story can come to life in just four panels.

Please Note: Girls will complete the Comic Artist badge. Badge provided.
Children’s Creativity Museum: Entertainment Technology with Clay Animation

Have a blast learning the basics of stop-motion animation by creating original clay characters and bringing them to life on screen. Girl Scouts collaborate in small groups to develop a story concept, sculpt clay characters, and film a stop-motion animation movie. This engaging workshop cultivates creative expression, communication, and teamwork skills, resulting in unique clay animation movies that Girl Scouts can take home and share with family, friends, on a Digital Cookie page, or a Girl Scouts Red Carpet event.

Please Note: Girls will complete Step 1 of the Junior Entertainment Technology badge. Complete Step 5 by visiting CCM’s Music Studio. Girls receive a Creativity Museum patch.

Children’s Creativity Museum: Inventor Workshop

Invent a better future by practicing your innovation skills. Start by stoking the creative fire with a quick exercise and mini challenge, then make observations before planning and prototyping an invention, completing the Inventor badge.

Please Note: Girls will complete the Inventor badge. Badge provided.

Children’s Creativity Museum: Think Like An Engineer Journey

Discover how the engineering design process can be used to solve problems and help make the world a better place. Collaborate with your troop to complete the first half of your Think Like an Engineer Journey by tackling design challenges, building helpful gadgets, and starting to design a Take Action project (to be completed after the workshop.)

Please Note: Girls will complete the first half of the multilevel Think Like an Engineer Journey. Adults are limited to a maximum of two per troop, or the minimum safety-wise ratio. Girls receive a Creativity Museum patch.

City of San Leandro: Monarch Butterfly Walk

Traversing thousands of miles at high speeds, clusters of monarch butterflies return to the same trees in the San Leandro Marina every year. See these incredible creatures up close and learn about their life cycle and migration patterns from the naturalist guides!

Please Note: Girls will complete steps 3 and 5 of Brownie Bugs badge.

Disney Museum: Robotics and Audio-Animatronics Technology

Daisies come together at The Walt Disney Family Museum to learn about a forerunner to contemporary robotics—Disney’s Audio-Animatronics. Girl Scouts work in teams, become Imagineers, and create their own robot designs. They are ultimately challenged to use Sphero SPRK robots to navigate a series of paths, bringing the Girl Scout “What Robots Do” badge to life.

Filmmaking Fundamentals

Learn the essentials of filmmaking to make your very own film. You’ll start with storyboarding, play with different camera angles and movement, cast and direct your friends, and edit together a first cut to share with the class. Come with a few ideas in mind for the story you’d like to tell. Girls will benefit from taking the Intro to Screenwriting class beforehand. Enter your film to be seen on the big screen for the GSNorCal’s Red Carpet event.

Please Note: Please come with a story idea for your film, any props/costumes for that idea, and a tablet or phone for filming. Cadettes will complete all steps of the Digital Movie Maker badge. Badge included.

Filmmaking Techniques

Dive deeper into the world of filmmaking, learning more advanced techniques used by professionals in Hollywood. You will explore filming with a green screen, create your very own stop motion scenes, and record audio sound effects. We will work on finalized edits of films, using various editing concepts. Enter your film to be seen on the big screen for the GSNorCal’s Red Carpet event.

Please Note: Previous filmmaking experience and knowledge with editing software is necessary. Please come with a story idea for film (or partially completed film to add to), any props/costumes for that film, and a tablet or phone for filming.
Hayward Shoreline: Cadette Journey - Breathe
Come to the Hayward Shoreline and complete your Breathe Journey, where we will talk about pollution and how different kinds can effect one's health. We will also explore how to breathe more easily not just for our bodies but for our minds as well. All but the Take Action Project will be complete for this Journey.

Please Note: Must attend all sessions 3/15/2020 and 4/5/2020 to complete award.

Hayward Shoreline: Follow the Clues
Give your inner sleuth a chance to come out and play at the Hayward Shoreline on an exciting treasure hunt. Discover what geocaching is, then put your newfound skills to work, and track down a cache along the shoreline.

Please Note: Geocacher badge provided.

Hayward Shoreline: Going Green
Everyone is talking about being eco-friendly these days, but what does that really mean? We will investigate what it means to "go green" and your part in that process. Using the resources at the Hayward Shoreline Interpretive Center, explore sustainability at home, and earn your Household Elf badge by the end of the day.

Please Note: Household Elf badge provided.

Hayward Shoreline: Scientists Unite
Connect with your inner mad scientist and break out those test tubes! Earn your Home Scientist badge at the Hayward Shoreline to conduct experiments that are messy, educational, and lots of fun!

Please Note: Home Scientists badge provided.

Hayward Shoreline: Secret Lives of Animals
Animals and their habitats are all around us—sometimes we just need to know where to look! Discover the world of wildlife at the Hayward Shoreline, and learn about the habitats in your own backyard.

Please Note: Animal Habitats badge provided.

Hiller Aviation Museum: Brownie Flyers
Take off with us at The Hiller Aviation Museum where you’ll help assemble a full-sized airplane! Not only that, you’ll also fly a model aircraft, venture out on a female aviator scavenger hunt, and see what flight feels like!

Please Note: Girls will complete Step 1 of the Senses badge and Step 3 of the Computer Expert badge. Fun patch included.

Hiller Aviation Museum: Junior Pilots
You’re in control for this high-flying adventure! Master your pilot skills in a realistic flight simulation, build and fly a model airplane, dabble in Morse code, and get up close to examine the seaplane used to commemorate Amelia Earhart’s mysterious final flight. This is an aerial adventure you don’t want to miss!

Please Note: Girls will complete Step 2 of the Detective badge. Fun patch included.

Hiller Aviation Museum: Sky Daisies
A thrilling day at The Hiller Aviation Museum is cleared for take-off! Get up close to a real airplane—push the buttons, check out the dials, and climb inside to test the controls. You’ll build and fly a working glider and even see the collection of aircrafts flown by the inspiring women in aviation.

Please Note: Fun patch included.

Intro to Screenwriting
Learn the fundamental story building blocks to write your very own movie script. All you need to bring is your imagination! You’ll create characters, build story arcs, and flesh out dialogue through a fun, active workshop. We’ll perform the finished scripts at the end of the day to learn about the script revision process as well. These screenplays can be used for the GSNorCal’s Red Carpet event and as a basis for the Filmmaking Fundamentals class.

Please Note: Cadettes will have a chance to earn their Screenwriter badge after this workshop by submitting their 12-page completed script for review by local industry professionals. Girls who enter their scripts will also get a chance to win a tour of the Lucasfilm ILMxLAB in San Francisco!

Lawrence Hall of Science: Crane Design
Calling all Mechanical Engineers! Juniors will be introduced to engineering and design concepts as they work to build a working hydraulic crane. How much weight will your crane lift? Cost includes all-day admission to the Lawrence Hall of Science.

Please Note: Girls will complete the Crane Design Challenge badge. Badge provided.

Marine Science Institute: Canoes in Sloughs
Girl Scouts and troops team up with the Marine Science Institute for a bay-utiful day of paddling, ruddering, and canoeing the waters of the San Francisco Bay! Practice your canoe skills, explore the local ecosystems, and learn about the current environmental threats to the Bay.
Marine Science Institute: In the Mud - Shoreside

Do you know what lives in the mud at the bottom of the Bay? Come find out at Marine Science Institute! Get your hands dirty on the muddy bay floor and hunt for clams, mussels, snails, and more. You'll learn how these animals find food and escape predators in this dark and squishy place. You might even see a shark—another creature at home in the mud!

Marine Science Institute: In the Mud - Tidepool

It's time to get your feet wet and discover the many wonders of the salty, rocky, tidepools! Take a closer look and find an amazing array of creatures including sea stars, anemones, and crabs. You'll learn how these submerged landscapes come to be, and how tidepool creatures live in this ever-changing environment!

Mills College: Think Like a Citizen Scientist

Work on your Think Like a Citizen Scientist Journey and help protect our watershed by getting hands-on creek restoration experience with experts from Mills College, a school with a rich history of developing and growing young women into leaders—just like Girl Scouts! Girls will evaluate the health of Leona Creek, which runs throughout the Mills campus in Oakland. You'll document your observations, collect data, and analyze restored portions of the creek.

Oakland Zoo: Brownie Bugs Overnight

See what the zoo is like after all the other guests have gone home. Tour the zoo at night, meet an animal ambassador up close, and earn your Bugs badge. You will never want to tell a bug to “buzz” off again after you spend the night at the zoo. Learn exactly what makes a bug a bug, and meet some of our zoo residents. Participants sleep inside for this program.

Please Note: Girls will complete the Brownie Bugs badge. Badge provided.

Oakland Zoo: Brownie Wonders of Water

Brownies, dive into the water cycle! This overnight adventure features an aquatic scavenger hunt in the Children’s Zoo, an exploration of watersheds and wildlife at the Arroyo Viejo Creek, and an animal close-up. Leave with a drought-tolerant native plant and a water drop promise to spread the water conservation message!

Please Note: Girls will complete Take Action with their troop after the event. Patch provided.

Oakland Zoo: Cadette Night Owl Overnight

See what the zoo is like after all the other guests have gone home. Tour the zoo at night, meet an animal ambassador up close, and earn your Night Owl badge. Cadettes will explore Oakland Zoo after the sun goes down, meet nocturnal animals up close and personal, and investigate how well their own senses work without light. Participants will camp outside in the zoo’s main meadow for this overnight adventure.

Please Note: Girls will complete the Night Owl badge. Badge provided.

Oakland Zoo: Junior Animal Habitats Overnight

Find out how important it is to preserve an animal's habitat! Investigate many different animals at the Oakland Zoo learn about their unique habitats and why they are so well-suited to live there. Afterwards, design your own habitat, and learn how to keep the wild habitat around the zoo clean and healthy for all the animals that live there.

Please Note: Girls will complete Take Action with their troop after the event. Patch provided.

Oakland Zoo: Juniors Get Moving Overnight

See what the Oakland Zoo is like after all the other guests have gone home. Tour the zoo at night, meet an animal ambassador up close, and work on your Get Moving Journey. In this leadership Journey, Juniors get wild about energy as they explore the ecological energy cycle. Participants will sleep inside for this program.

Please Note: Girls will complete a Take Action project with their troop after the event. Patch provided.
Oakland Zoo: Think Like A Citizen Scientist

In this special Journey workshop, you’ll learn about the Oakland Zoo’s global conservation projects and partnerships. Start by collecting data, designing your own field notebook, and meeting an education animal up close. After a lunch break, you’ll complete a citizen science project right here in the zoo! Finally, brainstorm Take Action projects together so everyone is ready to share their work with their community!

Please Note: Girls will complete Take Action with their troop after the event. Patch provided.

Red Carpet Film Event 2020: Old Hollywood; Century Flashback to Film in the 1920’s

Ride in first-class limo style to the Aquarius Theatre, where you will be greeted by your fans waiting to see your masterpiece! This year’s Red Carpet theme will celebrate the roots of cinema and old Hollywood. Will your film be a silent Charlie Chaplin slapstick remake, a black and white subtitled thriller series episode, a twist on a 1920's classic using special sound effects, or a subtitled foreign film? Surprise us, wow us, and show us your movie making skills that highlight and honor a century of cinema classics.

Please Note: Fun patch included.

Robocars with 3DR and Circuit Launch

Would you like to train a car to drive itself? Work in groups to train a model car to drive autonomously using computer vision, then test it on the race track. Look, no hands! Groups will be mentored by professional roboticists, engineers, and Girl Scout robotics team members. Join a growing community of self-driving car enthusiasts as you hone valuable technical skills.

Please Note: Lunch included.

Santa Clara University’s SWE: Mechanical Engineering Badge Day

Put on your engineering hats! Led by inspiring females from Santa Clara University's Society of Women Engineers, Daisies will earn their Board Game and Model Car mechanical engineering badges, and Brownies will earn their Leap Bot and Race Car mechanical engineering badges.

Please Note: Daisies will earn the Board Game and Model Car badges, Brownies will earn the Leap Bot and Race Car badge; badges included.

Science of Camp

Science isn't only for school—apply it to camp! Learn how strong the ropes course is, and discover what makes an efficient archery shot on our archery range during this camp-venture!

Please Note: Cadettes will complete Archery badge. Badge included.

Sonoma State University: Space Science Badge Day

Have a stellar astronomy experience earning your Space Science badge at Sonoma State University. Get close-up views of the stars at SSU’s observatory, enjoy a space talk, ask astronomers questions, and get hands-on with science activities. Explore how light helps us understand the universe in this after dark program.

Please Note: Girls will complete the Space Science Researcher badge. Badge provided.

The Buck Institute for Research on Aging: STEM Career Day

Join us for the third annual career day at The Buck! Everyone will begin the day with a keynote speaker and end with a special behind the scenes tour of the facility. Girls will choose from a morning workshop about organisms used in biological research or a dissection workshop, and then participate in a DNA workshop in the afternoon. Adults will participate in a panel discussion with researchers and industry professionals. Don’t miss this unique opportunity to see this cool facility up close.

Please Note: Fun patch included.

The Tech Interactive: Amusement Innovator

Engage in all things entertainment at The Tech Interactive! You can animate your own artwork, build prototypes of roller coasters, create personalized 3D images, and even make your own custom 3D glasses.

Please Note: Girls will complete Steps 1, 3, and 4 of the Entertainment Technology badge. Fun patch included.
**The Tech Interactive: Home Scientist**

Break out the pots and pans—it’s time for some chemistry! Transform everyday pantry items into tasty treats by channeling the amazing properties of density and electricity. Even construct your own ball of silly putty (but don’t eat that!) as you experiment your way to the Home Scientist badge.

**Please Note:** Girls will complete all steps of the Home Scientist badge. Badge and fun patch included.

---

**The Tech Interactive: Robo-Designers**

Explore different types of robots in our new Robo-Designers badge program! You’ll have the opportunity to interact with a real robot before you brainstorm, design, prototype, and build your own!

**Please Note:** Daisies will complete steps in the What Robots Do and Design a Robot badges. Brownies will complete steps in the Designing Robots badge. Juniors will complete steps in the Programming Robots and Designing Robots badges. Fun patch included.

---

**The Tech Interactive: Special Agent and Tech Detective**

Do you have what it takes to be a Tech Detective? Juniors and Cadettes will begin practicing the art of forensic drawing by sketching a suspect as described by a key witness. Next, they’ll learn how to obtain and analyze fingerprints from a crime scene. Finally, participants will explore the role of DNA in forensics—what it is, what it does, and how it helps solve crimes. They then get to perform an experiment to extract real DNA!

**Please Note:** Juniors will complete Steps 1, 3, and 4 of the Detective badge. Cadettes will complete Steps 1, 3, and 4 of the Special Agent badge. Fun patch included.

---

**U.C. Berkeley's WICSE: Think Like an Engineer Journey Day**

Junior and Cadette girls will complete the first steps towards earning their Think Like an Engineer Journey. Led by UC Berkeley’s Women in Women in Computer Science and Engineering (WICSE). This fun day includes special lab tours and a brainstorming session on Take Action projects to complete this Journey!

**Please Note:** Fun patch included.

---

**USS Hornet: Night Ops STEM Overnight**

Step back in time and climb aboard the USS Hornet for an epic overnight. The USS Hornet staff will lead challenging and fascinating demonstrations, teaching girls about the engineering, history, and legacy of this WWII-era aircraft carrier. Eat at the mess hall, brave the barracks, and have a sleepover you’ll never forget.

**Please Note:** Girls will complete Steps 1, 3, and 5 of the Special Agent badge.

---

**When I Grow Up . . . A STEM Career Exploration Event**

When I grow up, I want to be a STEM wizard! Girls will explore their interests while meeting inspiring women in STEM fields. There will be hands-on activity booths led by corporate and community partners where girls can learn more about how they can excel. Special focus areas will highlight the new Girl Scout STEM awards in cybersecurity, engineering, robotics, space science, and outdoor science. Older girls can pre-register to participate in special hands-on workshops, as well as college and career panels. This is a friends and family event that includes day admission to the Hiller Aviation Museum!

**Please Note:** Some booths will include badge step activities. Fun patch and all day museum admission included.

---

**Women of AT&T Bay Area: Girls in Future Technologies (GIFT) Day**

Join us for the 5th annual GIFT Day presented by Women of AT&T Bay Area, featuring interactive workshops and talks to inspire girls to pursue technology careers. A keynote discussion will touch on safe internet practices, and girls will choose from workshops presented by leading tech industry professionals. Workshop topics will include lock picking, genetics, VR, IoT, basic website design, finance, and coding.

**Please Note:** Fun patch and lunch included.
**Backpacking**

If you are yearning for an adventurous camping trip in the great outdoors, this class is for you! This class will prepare you to lead girls on the backpacking experience of a lifetime. Learn the skills you will need to guide girls as they learn to plan, pack proper gear, cook, shop, and prepare for their overnight backpacking trip.

**Please Note:** This class consists of two parts; part one includes preparation activities, gear, route planning, first aid, and safety. Part two is an overnight backpacking trip.

**Discoveree**

Level up your Girl Scout Leadership skills at Discoveree—a one-day event focused on how you can help your girls thrive. Join forces with other Girl Scout volunteers and enthusiasts, and together you will learn engaging positive youth development techniques, outdoor skills, crafts, and everything in between!

**Camp Out**

If you’re yearning for a camping trip in the great outdoors, this class is for you! Discover new outdoor skills and strategies for staying organized and safe, and know that your girls are in trained and capable hands. Please refer to the Volunteer Learning Portal Trip & Outdoor Advisor position for more information and prerequisite online trainings.

**Please Note:** This course is required for at least one adult who will assist in planning and accompany girls on their camping adventure.

**Fall Festival**

Ready to feel like a Girl Scout again? Parents and Volunteers can dig into new crafts, games, songs, and skills at our Fall Festival. Come for the day, or channel your inner camper and spend the night while enjoying some good old-fashioned campfire merriment. Learning and relaxing at the same time—sounds like a Girl Scout win-win!
