

Service Units Lead the Way on Renewals!

No one knows how to cheer girls on, lift them up, or celebrate their strengths better than you. That's why GSNorCal is here to support you every step of the way. Today, tomorrow, together—we're on your team. We've got this.

We're supporting your renewal efforts with some amazing incentives this year:

Service units can earn:

- \$2 for every new or rejoined girl or adult volunteer as of October 31
- \$100 if SU meets or exceeds total VLT MY21 membership (new/renew/rejoin), based on all VLT Assigned to SU as of July 1, 2021
- Council-wide Bonus; all SU get \$50 if council exceeds all MY21 membership total (all pathways), as of July 1, 2021

All service units will receive:

- a toolkit of social media resources to help support your renewal campaigns at www.gsnorcal.org/renewal-toolkit.

This is in addition to all the amazing rewards we're giving girls and volunteers, like program discount codes, discounted Tajar's Treehouse sessions, and exclusive patches and rockers.
