Parades and Large Gatherings
These are excellent opportunities to “suit up and show up” in and for girl communities. When participating in parades, events, or other large gatherings, it is important to represent Girl Scouts in the best possible way, doing what makes the most sense for the occasion.

Include Girls with Disabilities
Talk to girls with disabilities and their caregivers, and ask about needs and accommodations. Communicate with girls with disabilities and/or their caregivers to assess any needs and accommodations.

Learn about the resources and information that the Disabled Sports USA provide to people with disabilities.

Gear for Parades and Other Large Group Gatherings
- Girl Scout uniform, pin, or some other means of group identification
- Comfortable walking shoes
Recommended Gear
- Sunscreen (SPF of at least 15) and lip balm
- Sunglasses
- Reusable water bottle and water for filling bottles

Safety Activity Checkpoints
- **Consider the following:**
  - Need, interest and readiness of the girls
  - The sponsor of the event or activity
  - The needs of the community to be served
  - Scheduling issues
  - GSUSA and GSNorCal guidelines on fund-raising, endorsements, collaborating with other organizations and maintaining nonprofit status. [Volunteer Essentials: Collaborating with Sponsors & Other Organizations](#)

- **Respect parade and large-group gathering standards.**
  - Local regulations and permit procedures are observed for public gatherings, facility use, food handling, certificates of insurance and sales or excise tax.
  - Guidelines for personal protection are observed.
  - Local authorities are contacted for safety and security suggestions and assistance applicable to the parade or event.
  - For safety reasons, name tags or other personal identification are not worn in public places.
  - GSUSA and GSNorCal guidelines on publicity, photo releases, and interviews are observed. The following forms must be filled out and collected to ensure permission:
    - [Parent/Guardian Permission Form](#)
    - [Adult and Minor Photo Release Form](#)

- **Select a safe location.** The location for any community event, large group gathering, or parade is inspected in advance, with consideration for the following, as appropriate:
  - Accessibility to the group and to the public
  - Suitability to event size, age groups, and kinds of activities
  - Parking availability
  - Availability of restrooms
  - Security arrangements, including availability of police protection
  - Lighting for evening and indoor events
  - Vulnerability to inclement weather
  - Proximity to medical facilities
  - Fire safety, which includes: not exceeding the occupancy limits for indoor activities or events; sufficient emergency exits, which are well marked and operational; and having an emergency evacuation plan in place.
  - A food-preparation area used for large groups of people meets state and local standards, and includes sufficient potable water and restrooms for participants.
  - Provisions are made for garbage removal and site cleanup.

- **Make appropriate plans for parade floats.** *Floats drawn by trucks and automobiles must be covered by automobile insurance in the name of the vehicle owners.* Float construction is safe, using non-toxic or flame retardant materials, and secured to the body of the float and the vehicle. Floats are equipped with portable ABC fire extinguishers.
• **Safety While on the Float:** There is no leaning over the edges and legs and arms do not hang outside of the float. When sitting on a moving float, girls are to remain securely seated.
  - Riders on floats have secure seating or a secure handhold or safety harness is used if standing.
  - Floats are not overcrowded.
  - Participants do not walk close to moving floats.
  - An adult accompanies girls on any moving float.
  - Any coupling of a trailer to a vehicle is appropriate to the load and has a safety chain.
  - Nothing is distributed to onlookers from a moving vehicle or a float.

• **Prepare for emergencies.** Ensure the presence of a first-aid kit and a first-aider with a current certificate in First Aid, including Adult and Child CPR or CPR/AED, who is prepared to handle cases of abrasions, sprains, and fractures. Emergency transportation is available; if any part of the activity is located 30 minutes or more from emergency medical services. Ensure the presence of a first-aider and plan for emergency medical routes, consider heavily trafficked routes depending on the day and time. See Volunteer Essentials for information about first-aid standards and training. [SAFETYWISE: First Aid & First Aiders](#)

• **Take safety precautions.** Instruction is given on safe pedestrian practices, when applicable. Adults know girls' location at all times. Advance arrangements are made for picking up the girls after the event and parents and girls understand the arrangements. Adults and girls pick a place to meet in case of separation from the supervising adult or the group.
