

Segway: Safety Activity Checkpoint

*High-Adventure Activity – Trip and High-Adventure Approval Form Required

Council Approval: Required

Segway

A Segway is a personal transportation device that has become very popular in tourist areas. It's an automated standing cart-like machine with two wheels and a steering bar. Not quite driving, but close to it, Segway is recommended for older girls.

Include Girls with Disabilities

Talk to girls with disabilities and their caregivers, and ask about needs and accommodations. Communicate with girls with disabilities and/or their caregivers to assess any needs and accommodations.

Girl Scouts of Northern California's Approval Process for Segways

Segways are considered a high-adventure activity and must be pre-approved by the council.

- **Trip or High-Adventure Approval Form:** Submit the online [Trip or High-Adventure Approval Form](#) to council at least 4-6 weeks prior to your activity.
- **High-Adventure Approved Vendor List:** GSNorCal troops/groups must select a [high-adventure vendor](#) from the High-Adventure Approved Vendor List, which consists of organizations that meet Girl Scouts safety and insurance requirements for the activity. For the safety of our members, before a troop uses a high-adventure site/vendor for a troop or service unit event, the council must approve the high-adventure site/vendor. This process is designed to ensure a safe experience and protect the council's and volunteer's legal interests.
- **Adding high-adventure facilities to the Approved Vendor List:** If your preferred vendor is not listed on the High-Adventure Approved Vendor list, please follow the simple steps in the [Volunteer Essentials](#) for adding High Adventure Vendors.
