

# Girl-Led Progression Leader Experience

Being a Troop Leader is such a rewarding experience, you're an essential part of the magic that happens within a troop. Younger girls need more support in making decisions and finding their interests. Older troops will look to you for guidance and coaching. As your troop grows up you'll get to see the girls grow into lasting leaders. Having supportive adults like you in the mix makes all the difference.

# Girl-Led Progression

## Girl Experience

Girl-led means that girls play an active role in the planning, budgeting, and decision making for their troop. As girls progress to each higher level, they take on more of responsibilities for their activities. Here is what girl-led may look like at each level.
