2018-19 Pre-selected Tracks for Your Troop

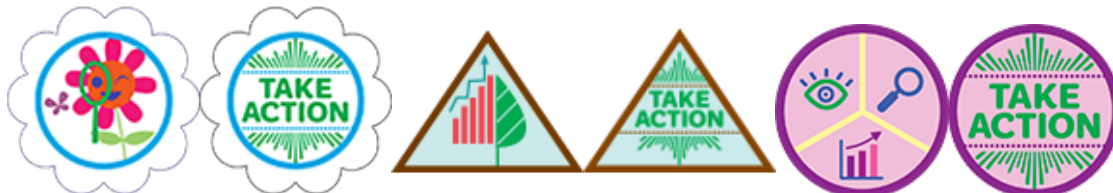

For the 2018-19 Multi-Level troop year, you have **3 pre-selected tracks for K-5** and **2 pre-selected tracks for 6-12** to choose from in the Volunteer Toolkit. A year plan can be set up as a Multi-Level Journey Year or Select Your Own Badges and Awards. You can add, change or delete meetings at any time. **Leader Tip:** Use the information and pictures below to talk with your troop members about which options they'd like to take on this year.

JOURNEY TRACKS K-5

K-5 STEM Outdoor: Think Like a Citizen Scientist

On this Journey, girls that are in the K-5 Multi-level range earn 2 awards per grade level in 6 meetings. Daisies, Brownies and Juniors practice the scientific method by doing a citizen science project focused on the outdoors. Girls also complete a Take Action project.

6-12 STEM: Think Like a Programmer

On this Journey, girls that are in the 6-12 Multi-level range earn 2 awards per grade level in 6 meetings. Cadettes, Seniors and Ambassadors participate in interactive computational-thinking activities to learn how programmers solve problems. At each level, girls explore how computers work, learn about algorithms, and create user-centered designs. They learn how to see needs in the world and come up with solutions before they plan and create their Take Action projects.
