Celebrate Women's History Month

Get ready to celebrate a month filled with empowerment and inspiration!

March is Women's History Month, a month-long party honoring the trailblazing women who paved the way for us to create a brighter, girl-led future. On March 8, we join the world in celebrating International Women's Day, a day to recognize and uplift the incredible contributions of women everywhere. We're asking every Girl Scout to use their most special superpower: Letting their unique inner sparkle shine! After all, making history starts with offering your one-of-a-kind qualities to the world.
