### Service Unit Cookie Chair Training

Service Unit Cookie Chairs are invited on December 13, 2023 from 6:00 – 7:30 PM. In this training, we will go over the 2023 data, cover the 2024 program details, and introduce you to the new Entrepreneurship Program Team. If you cannot make the meeting, the recording will be available on gsLearn on December 15 and available for you to go back and watch throughout the Girl Scout Cookie Program. You will need to complete this training in order to gain access to eBudde.

### Camporee Director Monthly Chats

Camporee Director Chats are hosted twice monthly and are for any Director or committee member planning a Camporee. Camporees are weekend-long camping trips that can be hosted by Service Units. These informal chats are an opportunity for volunteers to share with each other and have questions answered by Girl Scouts of Northern California council staff.

# Mandated Reporter Reminder

In compliance with California's AB506 law, all volunteers must complete child abuse and neglect mandatory reporter training every 2 years. In addition, all volunteers will need to complete a [fingerprint background check](#) if they haven't already done so this year. [Visit our vendor site](#) to participate. There is no cost to volunteers for screening if they complete it by 2024.

Volunteers should complete these steps before beginning to volunteer with the troop or service unit.
