

## Service Unit Team Monthly Summary September 2023

This newsletter, combined with access to our [current month's issues](#) of Troop News and Council News, should provide you with topics, reminders, and ideas to help you plan your next leaders' meeting.

This newsletter may also include Service Unit-specific information for you.

In this issue:

- [Fall Festival](#)
- [Adult Recognition Events](#)
- [Discoveree - Workshop Leaders Needed](#)
- [gsLearn is Live](#)
- [Property Rentals](#)
- [Share your Stories](#)
- [Reminders](#)

### Fall Festival - Adult Learning Weekend

Fall Festival is a fun learning retreat where you can network with other leaders, learn new skills and have a great time. You will stay on site in one of our cabins or dormitories and enjoy delicious meals. Meals, lodging and a choice of five workshops are included in one low price.

[JOIN THE FUN](#)

### Congratulations to all our 2023 Adult Recognition Awards recipients!

We cannot express our gratitude enough for all that you do for Girl Scouting. Please [join us](#) in celebrating these exceptional volunteers at one of our local Adult Recognition events taking place between September 20 and October 14!

[CELEBRATE](#)

Discoveree is a one-day learning event for Girl Scout volunteers and leaders that provides a mixture of training, skills, and crafts.

We are actively recruiting Workshop Leaders for Discoveree 2024. If you are able to help, complete the [workshop submission form](#). The event will be at Chabot College on Saturday, January 20th. For more information, please visit our website: [discoveree.org](#).

If leading a workshop isn't for you this year, then consider attending as a participant! A registration link will be available on the [discoveree.org](#) website starting December 11th. It's a fun day to learn new things and to talk with fellow Girl Scout volunteers!

[SIGN UP](#)

- ◆ gsLearn is available for all registered volunteers through their MyGS account
- ◆ Over 14 Volunteer Role Learning Paths
- ◆ Over 30 Updated GSNorCal Courses

### [gsLearn](#) is Live!

With gsLearn, volunteers have a single MyGS account to access their registration, Volunteer Toolkit, and now gsLearn. The connection between MyGS and gsLearn has allowed us to utilize Looker as a way of sharing volunteer course completions with our Service Unit Volunteers. Check out our [Tips for Verifying Volunteer Role Training](#).

[CHECK IT OUT](#)

### Property Rentals

Property rentals for Council sites are open from now until 5/30/2024 on our website. This includes all Girl Scout troops and Service Units renting partial units. Properties book quickly so be sure to share with your troops that units are available to rent around Council.

[BOOK NOW](#)

### Hosting a Fun Event or Leader Meeting?

We would love to hear your stories and see your photos or video! We are always looking for good content to share with other members and prospective members to inspire and excite. [Share your story via this form](#). If you have trouble uploading your content to the form, you can also email us at [social@gsnorcal.org](mailto:social@gsnorcal.org). (Please make sure everyone in the photos or videos has a [signed photo-release](#) on file). [Read about tips](#) on how to take good photos and video.

### Important Reminders for Every Troop

Fingerprinting: The new fingerprinting process is live. [Visit our vendor site](#) to participate and join us in creating a safer environment for the youth and volunteers at GSNorcal.

Fall Take Action Program: Check out our [gsHelpCenter article](#) for Fall Take Action Program dates and resources.

Newsletters: Please ask your troops to make sure they have opted in to email so that they receive our newsletters. They can also view [past publications](#) in our gsHelpCenter and read how to make sure they are [opted in](#).

Have an event you want to be included in a newsletter? Submit your information and optional graphic via our [Asana form](#). Any troop or SU can share across Service Units. Just be sure to have submitted the event notification form first!
