Tashianna, By this email our Deputy Director has **approved** the additional time requested. Please be prepared to show this email if requested to do so.

Thanks,
Cassandra

Hi Cass,

As requested this email is **regarding extending the permit for the Girl Scouts one additional weekend, March 24th**, based on the fact the paperwork will cost an arm and a leg to complete again and with confirmation the existing Certificate of Insurance will cover the additional weekend.

Thank you,

Janni
