

## Reward Opt Out Form – Cookies 2023

Older Girl Scout troops (*Cadette, Senior, or Ambassador*) may opt out of receiving Cookie Program rewards and earn an additional \$0.15 cents per package proceeds when the bulleted requirements below are achieved in the 2023 Cookie Program.

- Minimum of 50% of registered Girl Scouts in the troop participate.
- Minimum troop PGA (per girl average) of 249 packages, for Girl Scouts selling.
- All registered troop members must sign this form.

Entrepreneurs are still eligible to earn patches, charms, initial order rewards, the 600+ Cookie Club Kit, and the 1000+ commemorative acrylic reward.

Submit this form to [info@gsnorcal.org](mailto:info@gsnorcal.org) by March 8, 2023. Troops will receive email confirmation of form receipt by March 21, 2023. Due to minimum PGA requirement troops will not see update in eBudde until after the program closes and is reconciled.

By signing below:

- Troop confirms entrepreneurs have calculated Reward Card values at their goal level for comparison to opt out proceeds value.
- The entire troop (includes non-participating members) agrees to opt out of earned individual cookie rewards not listed above, including Reward Cards.
- Parents will be notified of the entrepreneurs’ decision to opt out of all individual cookie rewards.

*\*Juliettes are not eligible for Cookie Program Reward Opt Out.*
