Asian Elephant

[://youtu.be/UM9z6TcLgsA?si=vfOqUhVswPTemE4j](https://youtu.be/UM9z6TcLgsA?si=vfOqUhVswPTemE4j)

All About Asian Elephants

Diet: they spend up to 19 hours a day feeding mostly on grasses. However, they also eat large amounts of tree bark, roots, leaves, and small stems. They enjoy cultivated crops such as bananas, rice, and sugarcane and always stay close to a source of water because they need to drink water at least once a day. They can consume around 300 pounds of food a day!

Characteristics: they are thick-skinned herbivores with fan-shaped ears and large trunks. Both males and females can have tusks, though not all of them develop them. Tusks tend to be smaller in Asian elephants compared to their African relatives.

Scientific name: *Elephas maximus*

Body length: 18-21 feet

Height: 6 to 12 feet tall at the shoulder

Weight: 4,400 – 12,000 pounds

Gestation period: 18-22 months

Life span: 60 to 70 years

Interesting Facts:

- The Asian elephant is the largest land mammal on the Asian continent.
- They are extremely sociable, forming groups of six to seven related females that are led by the oldest female, the matriarch.
- Elephants can use low-frequency sound waves for communication between members of the herd and individuals outside the herd and can carry these sounds for distances of up to 10 miles.
- Their trunks contain around 100,000 muscles and can be used for tasks as delicate as picking up small objects or as powerful as uprooting trees.

Hello Uncle Doug,

My Girl Scout troop at M2 G5 Test Council 1 Trophy is launching a magazine, nut, and chocolate sales program to earn money this year. We also have some exciting new products to choose from too! We're planning to use what we earn to support fun activities and help our community. This program also helps me gain business skills and build confidence. I really can't wait to get started!

I created personalized online sites—one for nuts and chocolates and one for magazines and other new products. When you visit these sites, you'll see my special message, my goal, a video and picture. You'll also find some super sweet deals.

Buy or renew your favorite magazines, and over 50% of your purchase goes to Girl Scouts. There's a great selection of other products. Treat yourself, or send a thoughtful gift to family, friends, or co-workers.(Or both!)

There is also a tasty assortment of awesome nuts and chocolate packages. If we can coordinate and I am able to deliver these products in person (safely, of course), you will save on the shipping costs if you order by 02/01/2024.

I hope you'll visit my sites right away. I had a great time building them, and learned so much. They're fun and easy places to shop and any purchase helps me reach my goal. Plus, I may earn a personalized patch with my name on it!

It is important to set goals. By choosing the amount shown below, you will earn the personalized patch. Increase that amount if you need additional money to achieve your goals.

in magazines & more and nuts & chocolates

What does your Girl Scout troop or group plan to do with the money earned from your product program?

Preview: The message below will appear on your personalized site for friends and family to see.

Please review it carefully and make changes to your answers if necessary. The text within brackets is ready for customization. Mention things like what you do as a Girl Scout and how your troop will be putting the money you earn to good use.

Being in Girl Scouts, I can make the world a better place. We do fun activities and help the community while learning important skills that will help us forever. My goal this year is to sell \$500.00 in magazines & more and nuts & chocolates to help Girl Scouts, and so that our troop can travel to Washington DC to tour the White House. Will you please help by shopping at my online site? Thank you.
