# Annual Program Guide

August 2025 - August 2026

# A Message from Our CEO

At Girl Scouts, every adventure begins with one simple step: saying yes to new possibilities. Whether it's building a robot, hiking with friends, or earning a Highest Award, Girl Scouts offers meaningful ways to learn, grow, and have fun in a safe and supportive environment.

With this guide you can plan a full membership year ahead, noting programming you can't stand to miss. You don't have to choose between Girl Scouts and the other activities you love. This journey is designed to grow with you, whether you're into the outdoors, sports, music, or something else entirely. You can do it all and still be a Girl Scout.

There are activities for all levels, troops, and adult volunteers. As always, Girl Scout Juliettes, who are individually registered Girl Scouts that do not participate in the troop format, are welcomed and encouraged to participate in any appropriate program.

Girl Scouts is girl-led and volunteer supported. We are eternally thankful to have a wonderful community of supportive adult volunteers who help make many of our special Girl Scout experiences possible.

I hope to see you at a Girl Scout program this year and can't wait to hear about the adventures you choose.

Yours in Girl Scouting,

**Mary-Jane Strom**

# What Is Girl Scouts?

Since 1912, Girl Scouts have been blazing trails and redefining what's possible for girls and gender-expansive youth. Today, with the support of incredible volunteers and a network of millions, Girl Scouts of Northern California serves over 46,000 youth and adults across 19 counties, from Gilroy to the Oregon border. In a safe, inclusive environment, Girl Scouts try new things, grow their confidence, and build lifelong skills to lead and thrive.

Whether they're hiking, coding, advocating for change, or making their first best friends, Girl Scouts learn to trust themselves and work together to make a difference. It's a place where girls can be unapologetically themselves, discover their strengths, and rise to meet any challenge, supported every step of the way by caring adults who believe in their potential.

## What Is a Troop?

A Girl Scout troop is a group of girls, and anyone who identifies with the girl experience, that are similar in age and location. Troops can be organized by a school, community organization, or individual volunteer.

Troop leaders plan bi-weekly meetings, help Girl Scouts earn patches and badges, and chaperone field trips. Most importantly, they act as a mentor, helping guide Girl Scouts throughout their lives.

## What if you don't have a troop?

No troop? No problem! You can absolutely join Girl Scouts as an individual member. These types of members are known as **Juliettes**, named after our founder, Juliette Gordon Low.

Joining as a Juliette is great for Girl Scouts without a troop available nearby or who want to enjoy Girl Scout programming with their family. They can get started right away by earning badges independently or attending events to meet other Girl Scouts in their area.

Earn badges, attend programs, and feel the sisterhood based on your schedule and interests.

# Traditions

Girl Scout traditions help youth connect with each other and the lasting Girl Scout legacy. Our traditions also serve to bridge generations, creating shared experiences that inspire members to carry forward the spirit of empowerment and positive change in their communities.

To connect to these traditions, each event and troop meeting is preceded by reciting the Girl Scout Promise and Law below.

## Promise & Law

Girl Scouts uphold the Promise and Law in everything they do. Often recited at the start of a troop meeting or gathering, the Girl Scout Promise and Law remind us to be honest, to help people at all times, and to make the world a better place.

### Girl Scout Promise

On my honor, I will try:  
To serve God\* and my country,  
To help people at all times,  
And to live by the Girl Scout Law.

*\*Members may substitute for the word God and/or country in accordance with their own beliefs. For example, they could substitute the 2nd line to say "To serve my community,"*

### Girl Scout Law

I will do my best to be  
honest and fair,  
friendly and helpful,  
considerate and caring,  
courageous and strong,  
and responsible for what I say and do,  
and to respect myself and others,  
respect authority,  
use resources wisely,  
make the world a better place,  
and be a sister to every Girl Scout.

Same Name, Same  
Mission since 1912

# Benefits of Girl Scouting

Through hands-on activities, community service projects, and skill-building programs, Girl Scouts learn essential life skills such as teamwork, problem-solving, and goal-setting.

Whether your Girl Scout is interested in STEM, getting outdoors, entrepreneurship, or the arts, there is something to enjoy and learn. With supportive mentors and a strong peer network, Girl Scouts gain the courage to take on new challenges and make a positive impact in their communities and beyond.

## What You'll Do in Girl Scouts

Try new things. Make new friends. Learn new skills. Go on more adventures than you can count. There's a whole world of opportunities waiting for you when you become a Girl Scout!

In Girl Scouting, girls and gender expansive youth enjoy the fun and friendship together. Through enriching experiences and activities, girls discover their values, connect with those who share their vision, and take action to make the world a better place.

## The Girl Scout Difference

We all know the Girl Scout mission—building youth of courage, confidence, and character, who make the world a better place. But how exactly does that happen? Our success comes from focusing on the Girl Scout Leadership Experience (GSLE). The GSLE is designed to help youth develop as leaders and build confidence by learning new skills. It also ensures that Girl Scouts at every level are sharing a powerful, national experience—changing the world together!

## Four Pillars of the Girl Scout Leadership Experience (GSLE)

Everything in Girl Scouts centers around our four pillars, designed to meet them where they are now and to grow along with them. Whether she's building a robotic arm, coding her first app, packing for her first hike, or advocating for change in her community, a Girl Scout has an exciting array of choices to suit their interests at every age:

**STEM**

**Outdoors**

**Life Skills**

**Entrepreneurship**

## Five Outcomes of the GSLE

When girls participate in Girl Scouts, they thrive in five key ways:

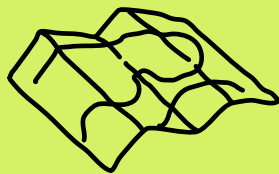

- 1. Strong Sense of Self**
- 2. Positive Values**
- 3. Challenge Seeking**
- 4. Healthy Relationships**
- 5. Community Problem Solving**

While each of our programs incorporate the GSLE and help youth achieve these outcomes, we've marked a few programs as examples throughout this publication.

# What Is Girl Scouts of Northern California?

Behind every Girl Scout and volunteer is a team of local staff ready to help them earn that next badge, embark on a camping adventure, or organize an impactful service project. That's what a Girl Scout council is. With a dedicated membership of 46,000 youth, adults, and volunteers, we are committed to fostering a strong, supportive community. From Gilroy to the Oregon border, our council serves 19 diverse and vibrant communities.

We at Girl Scouts of Northern California (GSNorCal) are here to provide training and support to volunteers, maintain camp properties, spread the word about amazing programs, raise funds, build partnerships, and manage the business to help Girl Scouts achieve whatever they can dream up.

## Membership

Girl Scout membership must be renewed annually. The membership year spans from October 1 - September 30.

Youth Membership	\$70

# Badges & Patches

A cornerstone of the Girl Scout experience is earning badges and patches. Each badge represents a unique learning experience—whether it's about environmental stewardship, STEM, cultural awareness, or community service.

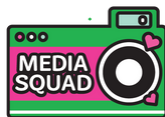

Patch programs allow youth to dive deeper into topics they care about, collaborate with others, and celebrate their achievements in a visible, meaningful way. They're a colorful reminder of the adventures, friendships, and accomplishments that make Girl Scouting so special.
