## Golden Gate Bridging - Member Booths

April 25, 2026 | 8:00am-3:30pm | Crissy Field

Golden Gate Bridging is Girl Scouts of Northern California's signature milestone celebration, bringing Girl Scouts together to cross the Golden Gate Bridge and celebrate their achievements. Member-hosted booths are a core part of the festival experience and play a vital role in showcasing the creativity, leadership, and sisterhood that make Girl Scouting so special.

### About Member Booths

The festival area will feature member-hosted booths by GSNorCal troops, Service Units, committees, and alums. These booths must be related to Girl Scout programming (i.e., badge earning booth, fun Girl Scout activities, Destinations/Travel, etc.). We encourage booths to offer a simple, engaging, hands-on activity that can be completed in a short amount of time and is appropriate for high foot traffic and a wide range of ages (focusing on grades 5-12).

### Booth Details

Each member booth includes one 10' x 10' booth space, one 6' table with two chairs, and two complimentary lunches (use coupon code GGBLUNCH at checkout). A limited number of generators may be available for booths with a demonstrated need, though power is not guaranteed, and all requests are subject to advance review and availability.

### Registration & Volunteer Support

Members interested in hosting a booth must complete their registration [here](#).

In addition to staffing your booth, we appreciate any additional volunteer support your group can recruit to help with event operations such as activity zones, crowd flow, parking, busing, and route support. Please indicate names of the volunteers you've recruited in your registration form or reach out to the team at [registration@gsnorcal.org](mailto:registration@gsnorcal.org).

### Important Guidelines (National Park Service & Presidio Trust)

Since the event takes place on National Park Service (NPS) managed land at Crissy Field, we are required to follow NPS and Presidio Trust guidelines:

- Branded pop-up tents are not allowed.
- Branded banners are allowed, but only if hung behind your table.
- Literature and display materials must follow the 70/30 rule — no more than 30% of materials may be promotional or advertising-focused.
- Food and inflatable items, such as balloons, are not permitted.

### Event Sponsorship Opportunities Available

Learn how community partners can support Golden Gate Bridging through sponsorship [here](#).

### Questions?

For additional questions, support or ideas for hosting a booth at Golden Gate Bridging, contact Aygun Babazade, Special Events Program Manager at [ababazade@gsnorcal.org](mailto:ababazade@gsnorcal.org).
