Golden Gate Bridging - Table Partners

April 25, 2026 | 8:00am-3:30pm | Crissy Field

Golden Gate Bridging is Girl Scouts of Northern California's signature milestone celebration, bringing thousands of Girl Scouts together to cross the Golden Gate Bridge and celebrate their achievements. We anticipate welcoming approximately 2,000 participants to Golden Gate Bridging this year. All partners are joining to engage, inspire, and support Girl Scouts and families.

We encourage all partners to offer a quick, easy, and fun hands-on activity at their booth as Girl Scouts visit throughout the day. Activities should be age-appropriate, engaging, and designed to be completed in a short amount of time to accommodate high foot traffic and varying group sizes. Our goal is to create an interactive and inspiring experience that allows Girl Scouts 5th-12th grade to learn, explore, and connect with your organization in a meaningful way. We are also happy to help brainstorm booth ideas, activities, and engagement approaches to ensure a wonderful experience for Girl Scouts and families.

Cost & What's Included

- The cost to host a booth at Golden Gate Bridging is **\$220**. This fee includes one 10' x 10' booth space, one 6' table, two chairs, and parking access for one vehicle.
- Partners will also have the option to purchase lunch during registration for an additional fee.
- A limited number of generators will be available for booths that demonstrate a clear need; however, power is not guaranteed, and all requests will be reviewed in advance based on availability.

How to Apply for a Booth

- Partners interested in hosting a paid booth must **complete a booth application**.
- Applications will be reviewed for alignment with event goals, youth engagement standards, and site regulations. Submission does not guarantee acceptance. Approved applicants will receive a separate email with registration and payment instructions.

Important Guidelines (National Park Service & Presidio Trust)

Since the event takes place on National Park Service (NPS) managed land at Crissy Field, we are required to follow NPS and Presidio Trust guidelines:

- Branded banners are allowed, but only if hung behind your table.
- Literature and display materials must follow the 70/30 rule — no more than 30% of materials may be promotional or advertising-focused.
- Food and inflatable items, such as balloons, are not permitted.
