

Council Approval: Not required

Activities Permitted: See Activities-At-A-Glance

Arts, Crafts, and STEM

From crafting and the arts to STEM projects, girls create, develop, and engage in a variety of projects. The activities are broad and varied and can include painting, pottery, beading, sewing, astronomy exploration, and engineering design and investigation—to name just a few.

Making Activities Accessible

In order to make your activity accessible to girls of all abilities, it's important to communicate with all girl attendees and their caregivers to learn about and accommodate their varied support needs. For resources and information on accessible sport and adventure activities, visit [Move United](https://www.moveunited.org).

Equity

In addition to physical and social-emotional disabilities, consider the history, culture, and past experiences of the girls in your troop that could affect a girl's ability to equally participate in an activity. Work with girls and families to understand how an activity is perceived. Ensure that all girls and their families feel comfortable that they have access to whatever is needed to fully participate, such as the proper equipment, prior experiences, and skills needed to enjoy the activity.

Safety Activity Checkpoints

Standard Safety Guidelines. Refer to the “Standard Safety Guidelines” in the [Introduction to Safety Activity Checkpoints](#) which apply to all Girl Scout gatherings and activities. When the adult-to-girl ratio, or other safety parameters, are stricter for a specific activity than in the Standard Safety Guidelines, always follow the stricter parameters in the activity chapter.

COVID-19 Guidelines. Review the “Coronavirus Safety in Girl Scouts” section in the [Introduction to Safety Activity Checkpoints](#) under the “Standard Safety Guidelines” section and be certain to consult with [GSNorCal's specific COVID-19 guidance](#). When applicable, always call ahead to the vendor, property or facility involved to check for their COVID-19 safety requirements as you prepare to take girls for this activity.

Emergency Action Plan (EAP). Review and document your Emergency Action Plan (EAP) ahead of time before taking girls out for this activity. Think through scenarios of what can go wrong, such as, an accident, physical injury to a girl, missing girl, or sudden illness.
