## Troop Fundamentals and Year Planner

It is time to plan your best troop year! Download and use this fillable PDF document to plan and calendar activities for each of the six elements of the Girl Scout Troop Fundamentals with your Troop Leadership Team. **TIP:** You can also download the [Word version](#).

There are two parts to this planning calendar:

- **Part 1 - Girl Scout Troop Fundamentals:** Fill out each section to plan a fun and well-rounded year. Use it to track your activities in the six elements of the Girl Scout Troop Fundamentals. Try to complete at least one activity for each element – remember you can combine activities. Taking a hike to complete an outdoor badge counts for both Outdoors and Badge & Awards. Save this document to celebrate all you have done. At year-end, you will have the opportunity to submit it for recognition of your troop's accomplishments.
- **Part 2 – 2022-2023 Troop Year Planner:** This is a planning calendar to help you and your girls plan and organize activities by month within a typical troop year. The calendar shows you when things happen in Girl Scouts, from celebrating Girl Scout's Founders Day to participating in the Cookie Program. You can use this planner on its own, along with your Volunteer Toolkit meeting planner for planning badge work at meetings, or plug dates into your own personal calendar.

## PART 1 – Girl Scout Troop Fundamentals

Troop Fundamentals	What activities are you planning?	What do you need to do to prepare for this activity? (Materials needed, who will help, timeline, etc.)	Month completed:
 <p style="text-align: center; color: #e91e63;"><b>Badges &amp; Awards</b></p> <p>Aim to earn at least three-five awards. This could be badges, Journeys, awards, or one of each. Find out what your troop is interested in and look in the <a href="#">Volunteer Toolkit</a> for requirements.</p>			
 <p style="text-align: center; color: #e91e63;"><b>Outdoor</b></p> <p>Aim to complete at least one outdoor activity, but there is no limit if you want to do more! Take a trip to a local park, have a cookout, or go camping! Don't forget to check the <a href="#">Safety Activity Checkpoints!</a></p>			
 <p style="text-align: center; color: #e91e63;"><b>Product Program</b></p> <p>Year One Troops should aim to take part in the online <a href="#">Fall and Cookie Product Programs</a> to earn troop proceeds and girl rewards. Year Two is a great time to add in booth selling during the Cookie Program.</p>			

Troop Fundamentals	What activities are you planning?	What do you need to do to prepare for this activity? (Materials needed, who will help, timeline, etc.)	Month completed:
 <p><b>Traditions</b></p> <p>Aim to do at least one Girl Scout tradition activity at every meeting. For example, sing Girl Scout songs, do a friendship circle, perform a flag ceremony, or celebrate Girl Scout special days like the Girl Scouts birthday (March 12). Wearing your uniform is a tradition too!</p>			
 <p><b>Community Service</b></p> <p>Aim to do at least one Community Service project. Find someone or thing the girls really care about helping. Identify a community need by starting with your own school or neighborhood and build from there.</p>			
 <p><b>Special Events</b></p> <p>Aim to do at least one special event each year. For example, your troop could attend a service unit event, or go on your own field trips such as visiting the fire department, farmer's market, or pet shelter.</p>
